**Election Materials in Other Formats.** Audio CDs and large print versions of the information printed in this guide and the State Voter Information Guide are available upon request. To request an audio or large print copy of this guide, return the application located on the back of this guide, or contact the County Elections Division at 1-800-SBC-VOTE (1-800-722-8683).

**Remote Accessible Vote by Mail (RAVBM) System.** The RAVBM system allows a voter to independently download, mark, and print their ballot on their own computer using their personal assistive technology. A voter may use the return envelope that came with their Vote by Mail ballot packet or their own envelope to return their voted ballot and signed declaration.

RAVBM ballots can be returned in the same way as all other Vote by Mail ballots and have the same return deadline.

To request a RAVBM ballot, please email [votebymail2@countyofsb.org](mailto:votebymail2@countyofsb.org) or call 1-800-722-8683. For more information refer to the “Remote Accessible Vote by Mail” page in this guide or visit the “Remote Accessible Vote by Mail” webpage at [sbcvote.com](http://sbcvote.com).

**Curbside Voting.** Curbside voting is available at all County Elections Division offices and polling places for voters unable to come into their designated voting location. To use curbside voting, voters can:

- Call 1-800-722-8683 in advance to request curbside voting at one of the County Elections Division offices or their polling place; or
- Follow the curbside voting signs to the designated parking space and call 1-800-722-8683 once they arrive at the polling place.

**Accessible Voting System.** All County Elections Division offices and polling places have at least one (1) ImageCast X® (ICX) ballot marking device with ballots available in English and Spanish. The ImageCast X® (ICX) ballot marking device provides:

- an audio option that reads the ballot in both languages through provided headphones;
- a universal plug for personal assistive technology; and
- large print and black/white contrast viewing options.

**Other Aides Available Upon Request.** Easy grip pens and magnifiers are available upon request at all County Elections Division offices and polling places.

**Personal Assistance Marking Your Ballot.** Voters have the right to get help casting their ballot from anyone they choose, except from their employer or union representative. Voters may bring up to two (2) people to their polling place to assist them while voting.

# Remote Accessible Vote by Mail (RAVBM)

The RAVBM system gives voters the ability to read and mark their ballot privately and independently on their personal devices. Any active voter can request and receive access to the RAVBM system.

## The RAVBM system allows you to:

- ✓ Mark your selections and review them prior to downloading and printing your voted ballot.
- ✓ Use your own assistive technology devices to read and mark your ballot.
- ✓ Select English or Spanish language.
- ✓ Change the screen contrast and font size for your ballot.

RAVBM is not “internet voting.” **You cannot submit your selections online. You must print and return your marked ballot by mail or in person.**

## How to vote with RAVBM:

### 1. Request an RAVBM ballot access link. Submit your request:

- **Online:** Complete an electronic request online at [sbcvote.com/RAVBM](https://sbcvote.com/RAVBM) or when you review your voter information on My Voter Status webpage at [voterstatus.sos.ca.gov](https://voterstatus.sos.ca.gov), or
- **Via Email:** Email your request to [votebymail2@countyofsb.org](mailto:votebymail2@countyofsb.org), or
- **By Phone:** Contact the County Elections Division at (805) 568-2200 or 1-800-722-8683.

RAVBM requests will be accepted through October 29, 2024.

### 2. Mark your ballot

Use the access link to open your ballot. Mark the ballot on your own computer, with your own assistive technology, if needed.

### 3. Review and print your ballot

Review your ballot choices and make any corrections. Download and print your ballot.

### 4. Seal and sign your ballot return envelope

Place your RAVBM ballot in the identification return envelope you received in the mail with your official ballot. Only vote and return one ballot, either the one mailed to you or the RAVBM ballot. It is a crime to vote twice. Sign the voter’s declaration (punched holes tell you where to sign). Seal the envelope. If you misplaced the official return envelope, please email [votebymail2@countyofsb.org](mailto:votebymail2@countyofsb.org) or call 1-800-722-8683 to request a new envelope.

### 5. Return your ballot:

-  By mail. Must be **postmarked** by Election Day, November 5, 2024, and received in our office by **November 12, 2024**.
-  At any official ballot drop box in California. Ballots must be received by 8:00 p.m. Pacific Standard Time on Election Day, November 5, 2024.
-  At any in-person voting location or any county elections office in California. Ballots must be received by 8:00 p.m. Pacific Standard Time on Election Day, November 5, 2024.

# How to Vote at the Polls

Find your polling place on the back cover of this guide, visit our *Upcoming Elections & Events* webpage at [sbcvote.com](http://sbcvote.com), or call the County of Santa Barbara Elections Division at 1-800-SBC-VOTE (1-800-722-8683). If no polling place is assigned, this means your registered address is in a mail ballot precinct.

Look near the wheelchair symbol on the back cover of this guide to determine if your polling place is accessible to voters with specific needs. Curbside voting is also available at all County Elections Division offices and polling places.

## What do I do to vote at my Polling Place?

- Take the Vote by Mail ballot you received in the mail to your polling place and give it to the Check-In Clerk.
- Provide your name and address to the Check-In Clerk and let them know if you will need assistance marking your ballot.
- Verify your information and sign on the Electronic Poll Book Tablet. You will receive a ballot issue ticket.
- Take your ballot issue ticket to the Ballot Issue Clerk to get your ballot. Please make sure your ballot matches the Sample Ballot in this guide.
- Vote your ballot at one of the voting booths.
- Deposit your voted ballot into the ballot bag.

## What to do if...

### You do not have your Vote by Mail ballot to turn in to the Check-In Clerk and want to vote at your polling place:

- If the Check-In Clerk can confirm that you have not voted in the election, then you may be issued a poll ballot to vote. If the Check-In Clerk is unable to confirm that you have not already voted in the election, you will be issued a Provisional Ballot to vote. Your Provisional Ballot will be counted once it is confirmed you have not already voted in the election.

### You changed your name and did not re-register:

- Let the Check-In Clerk know. They will give you a new voter registration card to complete.
- You will need to sign your new and old name on the Electronic Poll Book Tablet.

### You are at the wrong polling place or you are listed at a different address:

- If you have a new address, the Check-In Clerk will give you a form to complete to update your address.
- If you are at the wrong polling place, you have the following options:
  - Go to your correct polling place; or
  - Vote using an ImageCast® X (ICX) ballot marking device for your precinct's ballot; or
  - Vote a Provisional Ballot from the available poll ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

### You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up to two (2) people to assist you with marking your ballot.
  - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. An Election Officer is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.

### State Legislative Candidates – Voluntary Spending Limits

California law includes voluntary spending limits for candidates running for state offices who choose to keep their campaign expenses under specified dollar amounts. Candidates for state legislative offices who agree to the voluntary spending limit are able to purchase space for a candidate statement to be printed in this voter guide. Some candidates, however, chose not to buy space for a statement.

The following state legislative candidates have agreed to abide by the voluntary spending limits.

Office	Candidate's Name	Candidate's Statement of Qualifications Included
State Senator, District 21	S. Monique Limón	Yes
State Senator, District 21	Elijah Mack	No
Member of the State Assembly, District 37	Sari M. Domingues	Yes

## THE FOLLOWING PAGES CONTAIN CANDIDATE'S STATEMENT OF QUALIFICATIONS

Candidates have the option to prepare and pay for a Candidate's Statement of Qualifications (candidate statement) to be printed in this voter guide.

Candidate statements are printed exactly as submitted, including errors.

Candidate statements are arranged by candidate's last name in a random alphabet order. The random alphabet used depends on the contest, following either the randomized alphabet drawing conducted by the Secretary of State's office or the County Elections Division.

The following pages may or may not represent a complete list of candidates. For a complete list of candidates on your ballot, please see the Sample Ballot pages of this guide.

**STATEMENT OF CANDIDATE FOR  
United States Representative  
District 24**

**SALUD CARBAJAL**

**Age: 59**

**Occupation: Member of Congress**

**Education and Qualifications:** I'm Salud Carbajal, and I'm working to advance our Central Coast priorities in Congress.

I grew up on the Central Coast. My father worked as a farmworker in Ventura County. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served our country in the Marine Corps Reserves, and my community as Santa Barbara County Supervisor. My wife, Gina, and I raised our family here, and now are watching our grandchildren grow up here.

In Congress, I've focused on supporting hardworking families and growing the middle class. I helped pass laws that are creating jobs, investing in our infrastructure and clean energy, and lowering costs of living including housing and health care.

I'm still fighting to defend reproductive freedom and restore abortion access nationwide. And as an immigrant, I am committed to advancing overdue fixes to our broken immigration system and restoring order at our borders.

I've worked on legislation that protects our environment, addresses climate change, bans new offshore drilling off our coastline, supports our veterans, and makes our communities safer by getting guns and deadly fentanyl off our streets. At a time when Washington dysfunction is at an all-time high, I've remained focused on finding common ground across the aisle to tackle homelessness, improve child care availability, and prevent wildfires.

I would be honored to continue working for you in Congress.

For more information, visit [SaludCarbajal.com](http://SaludCarbajal.com).

I kindly ask for your vote. Thank you.

**STATEMENT OF CANDIDATE FOR  
United States Representative  
District 24**

**THOMAS COLE**

**Age: 67**

**Occupation: Data Analyst**

**Education and Qualifications:** Dear voters, it's time for a decision. For the safety of your children and the protection of your nation, we need you to decide.

Do you want a country that fights endless wars?

Do you want \$200 billion of your tax dollars sent to Ukraine while our homeless veterans die on the streets?

Do you want a nation that has open borders?

Do you want schools that have men competing against your daughters and in their showers?

Do you want a nation where bicoastal political and media elites and tech barons prosper while you can't afford basic necessities?

And, do you want continuing inflation destroying your paycheck, doubling the price of food and gas and your mortgage payment?

Now, I offer a solution and that is to vote for me, Thomas Cole for Congress, where your vote for me will mean a vote for America. A vote for your right to have safe schools, safe borders, plentiful jobs and stable money.

We need the government to get out of the way and allow the private sector to provide more energy jobs, more housing, and better education.

And, government should be providing the things we cannot do ourselves, like border security, infrastructure and national defense.

Instead, what you are getting is politicized schools promoting transgenderism, open borders with crime and thousands of homeless people -- many of them mentally disturbed and violent -- admitted into your neighborhoods.

It's time for a change. I will be that change. Learn more at [thomascolegforcongress.com](http://thomascolegforcongress.com)

**STATEMENT OF CANDIDATE FOR  
State Senator  
District 21**

**S. MONIQUE LIMÓN**

**Occupation: California State Senator**

**Education and Qualifications:** As a lifelong resident of the Central Coast, I'm honored to represent Santa Barbara County in the State Senate.

I have a proven record of working to improve our schools, protect our environment, expand job training, advance women's health care, protect consumers, combat the high cost of living, and bring resources to our area to prevent and fight wildfires. That's why I am proud to be supported by a broad range of community leaders including teachers, nurses, and firefighters.

Since being elected, I've worked to tackle climate change, protect consumer privacy, improve mental health care and long-term strategies to prevent homelessness, improve access to quality healthcare including aging and Alzheimer's, and help safeguard human trafficking survivors. Access to healthcare continues to be a priority for our community and I have worked with a coalition to protect and improve it. I earned a 100% voting record with Health Access California.

I've worked to protect our air, water and coastline, and earned a 100% rating from the Sierra Club and California Environmental Voters.

In response to the Supreme Court's overruling of Roe v. Wade, I co-authored Proposition 1, which passed overwhelmingly by the voters of California, to enshrine the right to choose for women in our State Constitution.

These challenging times require effective leadership and the integrity to stand up for the people of the Tri-Counties. I believe my record reflects both.

I would be honored to earn your vote for my re-election to the State Senate. Thank you for your consideration.

**IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
MEASURE P2024  
SANTA BARBARA COMMUNITY COLLEGE DISTRICT**

This measure was placed on the ballot by the Board of Trustees of the Santa Barbara Community College District, which is the governing board of the District.

If approved by 55% of the voters voting on the proposition, this measure authorizes the Santa Barbara Community College District (District) to issue and sell bonds of up to \$198,000,000 in aggregate principal amount to provide financing for the specific types of District facilities projects listed in the District's Project List. The Project List, as well as the full text of the measure, are printed in the voter information guide. None of the proceeds from the sale of bonds may be used for teacher or administrator salaries or operating expenses.

The bonds and interest thereon would be payable from property taxes levied on taxable property in the District. The amount of the taxes each year would depend upon the amount needed to pay the principal and interest on the bonds. The District's estimate of the final fiscal year in which the tax is anticipated to be collected is 2060-61.

The bond measure includes the following accountability requirements:

- A. A requirement that the proceeds from the bond sale be used only for the above purposes and not for any other purpose, including teacher and administrator salaries and other District operating expenses.
- B. A list of the specific school facilities projects to be funded and certification that the District's Board has evaluated safety, enrollment and information technology needs in developing the Project List.
- C. A requirement that the District's Board conduct an annual, independent performance audit to ensure that the funds have been spent only on the specific college facilities projects listed in the Project List.
- D. A requirement that the District's Board conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the college facilities projects listed in the Project List.
- E. If the measure is approved, the District's Board will also establish an independent citizens' oversight committee to ensure bond proceeds are used only to fund the projects listed in the Project List, as printed in the voter information guide.
- F. If the measure is approved, the District shall create an account into which the proceeds from the sale of the bonds will be deposited. An annual report will be filed with the Board stating the amount of proceeds collected and expended in the past year, and the status of any project required or authorized to be funded with bond proceeds.

**TAX RATE STATEMENT  
MEASURE P2024  
SANTA BARBARA COMMUNITY COLLEGE DISTRICT**

**SANTA BARBARA COMMUNITY COLLEGE DISTRICT  
GENERAL OBLIGATION BONDS  
MEASURE P2024**

An election will be held in the Santa Barbara Community College District (the "District") on November 5, 2024 for the purpose of submitting to the electors of the District the question of incurring bonded indebtedness of the District in the principal amount of \$198 million. If such bonds are authorized and sold, the principal thereof and interest thereon will be payable from the proceeds of taxes levied on the taxable property in the District. The following information regarding tax rates is given in compliance with Section 9401 of the California Elections Code. This information is based upon the best estimates and projections presently available from official sources, upon experience within the District and other demonstrable factors.

Based upon the foregoing and projections of the assessed valuations of taxable property in the District, and assuming the entire debt service on the bonds will be paid through property taxation:

1. The best estimate of the average annual tax rate that would be required to be levied to fund the bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of the filing of this statement, or a projection based on experience within the same jurisdiction or other demonstrable factors is \$8.50 per \$100,000 of assessed valuation of all property to be taxed. It is estimated that the final fiscal year in which the tax is anticipated to be collected is 2060-61.

2. The best estimate of the highest tax rate that would be required to be levied to fund the bond issue, and an estimate of the year in which that rate will apply, based on estimated assessed valuations available at the time of the filing of this statement, or a projection based on experience within the same jurisdiction or other demonstrable factors, is \$8.50 per \$100,000 of assessed valuation of all property to be taxed and the year is 2060-61, and each year while the bond are outstanding.

3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$451,555,000.

It is the intent of the District to issue bonds to replace, repair and upgrade aging college facilities that would simply extend the tax rate previously approved by local voters. Attention of voters is directed to the fact that the foregoing information is based upon projections and estimates only. The actual timing of sales of the bonds and the amount to be sold at any time will be governed by the needs of the District and other factors. The actual interest rates at which the bonds will be sold, which will not exceed the maximum permitted by law, will depend upon the bond market at the time of sale. The actual assessed valuations in future years will depend upon the value of property within the District as determined in the assessment and the equalization process. Assessed valuation is not the same as market price of real property. Therefore, the actual tax rates and the years in which those tax rates will be applicable may vary from those presently estimated and stated above.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on Santa Barbara County's official tax rolls, *not* on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

**ARGUMENT IN FAVOR OF  
MEASURE P2024**

**SANTA BARBARA COMMUNITY COLLEGE DISTRICT**

**Vote YES on P to protect affordable higher education and career training at Santa Barbara City College WITHOUT INCREASING TAX RATES!**

For over 100 years, students from Carpinteria to Goleta have relied on SBCC for the **high-quality college education and career training** needed to transfer to four-year universities and prepare for essential careers in nursing, healthcare, public safety, hospitality and skilled trades.

As university costs continue to rise, nearly 50% of local high school graduates rely on SBCC Foundation's Promise Program for free full-time study for two years.

Most **classrooms, labs and job training facilities at SBCC were built over 60 years ago** and need repairs and upgrades to meet current academic, building, and safety standards. Many have asbestos, lead, and do not meet current earthquake safety standards.

Voting Yes on P provides locally controlled funding to repair and upgrade aging and deteriorating college facilities **WITHOUT INCREASING TAXES** above the rate previously approved by voters.

**Yes on P will:**

- Provide modern classrooms, science labs, and career training facilities to prepare students for in- demand careers in nursing, health sciences, engineering, and technology
- Repair leaky roofs, deteriorating plumbing, gas lines and faulty electrical systems
- Improve earthquake safety
- Remove hazardous materials like asbestos and lead
- Improve access for students with disabilities

**Measure P requires strict fiscal accountability and local control:**

- All funds must stay local to upgrade SBCC only and cannot be taken by the State
- An independent oversight committee, annual audits, and public spending disclosure ensure funds are used as promised

Voting **Yes on P qualifies SBCC for state matching funds** that would otherwise go to improve schools and colleges in other communities.

Join educators, students, nurses, first responders, business and community leaders in voting YES on P to **protect affordable higher education and career training at Santa Barbara City College WITHOUT INCREASING TAX RATES!**

**REBUTTAL TO ARGUMENT IN FAVOR OF  
MEASURE P2024**

**SANTA BARBARA COMMUNITY COLLEGE DISTRICT**

What a shell game! Santa Barbara Community College advertises "without increasing taxes above the rate previously approved by voters". No joke! Why would we approve extending our tax levy FOR 37 YEARS to 2060-61 from Measure V Bonds: \$77M, approved 2008, expiration 2033? Total debt service on Measure P (Principal and Interest \$198M) is almost a HALF MILLION DOLLARS- \$451,555,000! Taxes impact the cost of our housing!

SBCC has an \$11M budget shortfall due to mismanagement; and asked Foundation donors for \$500,000 to promote Measure P.

**VOTE NO!** It's the wrong time to take on more debt. Money will not improve SBCC. Has 60% of property taxes allocated to local K-14 improved student proficiency, or access to essential instruction? NO!

Measure P conceals 'we'll decide later how to spend the money, just trust us.' Use of Measure V Bond proceeds proved SBCC unworthy of our trust or our money. The only two 'budget knowledgeable' Trustees VOTED NO on this ballot request, and deficit spending.

SBCC is not prepared, has no clear plans, wants student housing built for out-of-District, foreign students, and seeks a deficit bailout. Too many unnecessary administrators are hired, while District students, area needs, campus maintenance and repairs are ignored.

**VOTE NO ON P!** Hold SBCC accountable before gifting another HALF BILLION of hard-earned taxpayer funds.

As Representative Gregg Hart has stated: **PAUSE**. Wait for specifics. Consider unintended adverse impacts of more debt. **VOTE NO!**

**ARGUMENT AGAINST  
MEASURE P2024**

**SANTA BARBARA COMMUNITY COLLEGE DISTRICT**

Vote NO on P2024 the requested SBCC Bond. Do not reward waste, mismanagement, and SBCC's failure to serve LOCAL students determined to receive high quality instruction on campus; those who live within SBCC District Boundaries. BEWARE of the planned bait and switch strategy. We do not need to create more housing for out-of-district and foreign students who do not belong at SBCC. We've a housing, water shortage and inadequate roads.

Vote NO! 5 of our elected 7 Trustees have failed District students and taxpayers. I've been an active community volunteer and donor for 44 years. There is plenty of existing tax money allocated to fulfill its mission to serve LOCAL students & maintain the campus. Imagine the amount of infrastructure that could be repaired with the money Trustees wasted on superfluous, wasteful, self-serving decisions, The list is long! SBCC has deviated far from serving locals. There has been a revolving door of multiple interim college presidents because of the militant or complicit, incompetent Trustee majority. SBCC is in debt and lost its high ranking. Now in an effort to remedy, Trustees seek more money from us. Teachers and staff are compensated from \$100-\$400K for a 4-day work week. <https://Transparentcalifornia.com/salaries/2022/santa-barbara-city-college>. Assess SBCC's situation later, after we elected 5 replacement Trustees; first, stabilize SBCC.

**REBUTTAL TO ARGUMENT AGAINST  
MEASURE P2024**

**SANTA BARBARA COMMUNITY COLLEGE DISTRICT**

**The lone opponent has the facts WRONG! Don't be misled and learn the TRUTH:**

**FACT:** SBCC'S primary focus is **servicing local students**. Nearly **50% of students** graduating from high schools between Carpinteria and Goleta attend SBCC for **affordable access to college and job training**.

**FACT:** Local adults seeking **training for new careers or career advancement rely on SBCC** to prepare for jobs in **nursing, healthcare, public safety, hospitality and skilled trades that keep us safe and fuel our economy**.

**FACT:** Funds from **Measure P cannot be used for student housing**. By law, funds can only be used for the **repairs and upgrades to classrooms, labs, job training facilities**, and other aging college facilities on the legally binding project list. An **independent oversight committee, annual audits, and public spending disclosure** are required.

**FACT:** Essential upgrades to aging and deteriorating college buildings cannot wait. Most SBCC buildings are at least **60 years old and have leaky roofs, broken pipes, dry rot, water damage, mold, and structural issues**. Chemistry, physics, and other science labs haven't been upgraded in decades.

**FACT:** SBCC has missed out on millions in state matching funds due to not having required local matching dollars. **Voting Yes on P qualifies SBCC for over \$100 million in State matching money** that otherwise will go to other communities.

**FACT: Measure P does not increase taxes** above rates previously approved by voters.

- A local college facilities improvement measure would include strict accountability and local control requirements, including an independent citizens' oversight committee, mandatory annual audits, and public disclosure of all spending.
- By law, all funds from the measure may only be used to improve District facilities and no funds could be taken away by the State, diverted to other uses, and no funds could be used for administrator salaries or benefits.

### PROJECTS

The Board of Trustees (the "Board") of the Santa Barbara Community College District certifies that it has evaluated the District's urgent and critical capital needs, including college and student safety issues, enrollment trends, energy efficiency and computer technology, seismic safety requirements, and aging, outdated or deteriorating campus buildings in developing the scope of projects. In developing the scope of projects, the District has prioritized the key health and safety and sustainability needs so that the most critical college site and facility needs are addressed. The Board conducted an evaluation at all District sites and received input in developing the scope of projects. This input concluded that if these needs were not addressed now, the problems would only get worse and more expensive to address in the future. The Board concluded that protecting the quality of college facilities, the quality of life in our community and the value of our homes is a wise investment. The Board also concluded that providing safe and updated learning facilities for our students is a wise investment. The Project List includes construction, renovation, repair will occur at all District sites, including but not limited to, the Wake Campus, Schott Campus, and Cliff Campus. Because only those capital improvements included on this Project List may be funded, in whole or in part, with the proceeds of the bonds, the Board has listed many possible capital improvement projects. This does not mean that any or all of the projects listed on this Project List will be completed or funded. The placement of the listing of a particular capital improvement on the Project List does not imply any particular prioritization among such improvements, which remains within the province of the Board by subsequent action. In approving this Project List, the Board determines that the District should:

FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE (CALIFORNIA EDUCATION CODE SECTION 15278 ET SEQ.) TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATIVES OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. ## **BOND AUTHORIZATION**

By approval of Measure P2024 by at least 55 percent of the registered voters voting on the measure, the District will be authorized to issue and sell bonds of up to \$198,000,000 in aggregate principal amount at interest rates not in excess of the legal limit and to provide financing for the specific District facilities projects listed in the Project List as set forth above, subject to the accountability requirements specified below. The bonds may be issued under the provisions of the California Education Code (starting at Section 15100), under the provisions of the California Government Code (starting at Section 53506), or under any other provision of law authorizing the issuance of general obligation bonds by community college districts. The bonds may be issued in series by the District from time to time, and each series of bonds shall mature within the legal limitations set forth in the applicable law under which the bonds are issued.

## **FUNDS PROTECTED FOR LOCAL USE**

Proceeds from the sale of bonds authorized by Measure P2024 will be used solely on local projects and will not be subject to appropriation by agencies outside of the District.

## **ACCOUNTABILITY REQUIREMENTS**

The provisions in this section are specifically included in Measure P2024 in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at California Education Code Sections 15264 and following). The proceeds from the sale of the bonds will be deposited into a Building Fund to be held by the Santa Barbara County Treasurer-Tax Collector, as required by the California Education Code, and will be used only for the purposes specified in Measure P2024 and not for any other purpose.

**Evaluation of Needs:** The Board has identified detailed facilities needs of the District and has determined which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated enrollment growth, student safety, class size accommodation, repairs/upgrades to older facilities, and information technology needs in developing the Project List as set forth above.

**Independent Citizens' Oversight Committee:** The Board shall establish an Independent Citizens' Oversight Committee under California Education Code Section 15278 to ensure bond proceeds are expended only on the college facilities projects listed above. The Committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board.

**Performance Audits:** The Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the college facilities projects listed as set forth above.

**Financial Audits:** The Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the college facilities projects listed above.

**Annual Report:** The Superintendent/President of the District is required to cause an annual report to be filed with the Board, the first report to be filed not later than one year after the issuance of the first series of the bonds, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in Measure P2024 as required by Sections 53410 and 53411 of the California Government Code.

## **COMPLETION OF PROJECTS**

Completion of the bond projects listed above is subject to the availability of adequate funding to the District. Approval of the Bond Measure does not guarantee that the proposed projects in the District that are the subject of bonds under the measure will be funded beyond the local

revenues generated by the Bond Measure. The District's proposal for the projects may assume the receipt of matching State funds, which could be subject to appropriation by the Legislature or approval of a Statewide bond measure or additional measures. The proceeds from the sale of the bonds will be used only for the purposes specified in Measure P2024, and not for any other purpose.

## **SCOPE OF PROJECTS**

Bond proceeds will be expended to update, repair, replace, renovate, construct, acquire, equip, furnish, rebuild and otherwise improve educational and support facilities within the District. Projects which are described above include all related and incidental costs, including their share of the costs of the election and bond issuance and costs of design, engineering, architectural and other professional services, inspections, site preparation, utilities, landscaping, construction management and other planning, legal, accounting and similar costs, independent annual financial and performance audits, a customary construction contingency, and other costs incidental to and necessary for completion of the listed projects.

Bond proceeds may also be expended to acquire and install furniture, fixtures and equipment at any classrooms and other educational facilities within the District. The District may alter the scope and nature of any of the specific projects which are described above as required by conditions that arise during the course of design and construction.

Whenever specific items are included in the above list, they are presented to provide examples and are not intended to limit the generality of the broader description of authorized projects. The order in which particular projects are listed is not intended to indicate priority for funding or completion.

### *STATE MATCHNG FUNDS*

*Approval of Measure P2024 does not guarantee that the proposed project or projects in the Santa Barbara Community College District that are the subject of bonds under Measure P2024 will be funded beyond the local revenues generated by Measure P2024. The school district's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.*

MEASURE H2024  
COUNTY OF SANTA BARBARA**

**FISCAL IMPACT STATEMENT BY  
COUNTY AUDITOR-CONTROLLER  
MEASURE H2024  
COUNTY OF SANTA BARBARA**

This measure was placed on the ballot by the Board of Supervisors of the County of Santa Barbara in order to increase the transient occupancy tax (commonly referred to as the "Hotel Tax") rate from 12% to 14%. Although the County tax is collected only in the unincorporated areas of the County, the law requires that there be a countywide vote on the question of increasing the tax rate to 14%.

This measure passes if approved by a majority of voters voting thereon.

The California Constitution and the Government Code authorize the County, upon a majority vote, to levy a general tax. The Revenue and Taxation Code authorizes the County to levy a tax on the privilege of occupying a room or rooms, or other living space, in a hotel, inn, tourist home or house, motel, or other lodging for 30 days or less in the unincorporated areas of the County.

The transient occupancy tax is a general tax. Revenues from the transient occupancy tax go into the County's general fund and may be used for general governmental purposes, without restriction.

The transient occupancy tax rate is currently at 12%. This measure would authorize the increase of the transient occupancy tax rate to 14%. According to the Ordinance, the increased tax rate of 14% would take effect beginning January 1, 2025. If the measure does not pass, the transient occupancy tax rate would remain at 12%.

COUNTY OF SANTA BARBARA**

**A YES vote on this measure means:**

A majority "yes" vote means that the County of Santa Barbara's Transient Occupancy Tax (Hotel Tax) rate will increase to 14%.

**A NO vote on this measure means:**

A majority "no" vote means that the Hotel Tax rate will remain at 12%.

**Summary**

This measure would increase County revenues by increasing the existing County of Santa Barbara unincorporated area Transient Occupancy Tax rate from 12% to 14% of the daily rent paid for lodging. The current transient occupancy tax rate of 12% generated \$17,746,000 in fiscal year 2023-24 for the County. If this measure is approved, the tax rate would increase to 14% and is estimated to generate an additional \$3.0 million annually. The total of the tax collected changes on an annual basis as a result of increases or decreases in lodging rates and lodging occupancy.

Revenue generated by the transient occupancy tax is considered general revenue for the County General Fund. This tax source is a significant discretionary General Fund tax source. This revenue is expended on general County government services and capital needs for public safety, law and justice, health services, public assistance, community resources, public facilities, administrative, and other general government purposes.

**Background**

Local governments were first granted the power to tax the privilege of occupying a room or living space in a hotel, motel, inn, short-term rentals, and other lodging establishments when rented for 30 days or less, in 1963. The Transient Occupancy Tax (also commonly referred to as TOT or hotel bed tax) is collected by the lodging provider in the unincorporated area of the County then remitted to the County Treasurer-Tax Collector for deposit as general revenue to the County.

**ARGUMENT IN FAVOR OF  
MEASURE H2024  
COUNTY OF SANTA BARBARA**

Protect our quality of life for local residents -- vote **YES on H** to update Santa Barbara County's Tourist Tax. Your YES on H vote generates money for the core services you expect and deserve: improving 911 response services, fixing potholes, repairing roads damaged during winter storms, and upgrading aging and deteriorating bridges. Funding is needed to carry out more local flood control projects and clean out storm drains to prevent mudslides and protect homes.

YES on H generates \$3,000,000 annually to maintain these services -- and is 100% paid for by tourists and lodging guests visiting unincorporated Santa Barbara County communities. Vote YES on H to ensure tourists pay their fair share of the services they use when visiting our amazing region.

**YES on H:**

- Protects groundwater supplies.
- Maintains 911 emergency, wildfire, and disaster response services.
- Addresses homelessness.
- Repairs deteriorating bridges, roads, and other transportation infrastructure.

All funds generated by **YES on H** are subject to the County's strict accountability provisions, ensuring public transparency on how funds are spent. This includes online budget and expenditure reports and annual independent audits available for public review.

State and federal governments can't take a dime of the money generated by Measure H. By law, all funds raised are controlled locally and will be used to maintain the services so many families need. Join First Responders, small business owners, and residents from every corner of our amazing county.

Protect the region we all love, without raising your taxes -- vote **YES on H!**

**REBUTTAL TO ARGUMENT IN FAVOR OF  
MEASURE H2024  
COUNTY OF SANTA BARBARA**

**VOTE NO ON MEASURE H: WE DON'T NEED HIGHER TAXES**  
Just months ago, Santa Barbara County Supervisors passed the largest budget in county history -- \$1.59 BILLION. This record-high county budget represented a 7.3% increase from the previous year, but now we're being told we need Measure H to raise taxes by another \$3 million a year.

**MEASURE H IS A BAIT AND SWITCH TRICK**

The truth is politicians often will promise one thing then do another. Measure H says the taxes will go towards things that are popular with voters like public safety, roads, and addressing homelessness, but Measure H contains a giant loophole that allows politicians to spend the money on anything they want, including administrative costs, outside consultants, pay raises, and pensions.

**MEASURE H GIVES POLITICIANS A \$3 MILLION BLANK CHECK**

The politicians say Measure H is for "essential" community services, but because it was put on the ballot as a General Tax, the funds won't be dedicated to addressing a specific problem and there are NO guarantees on how our tax money will be spent. Measure H gives politicians a blank check with no accountability.

**MEASURE H IS FLAWED**

Measure H's higher taxes will hurt small and family-owned businesses. If we're going to raise taxes, we need *real protections* ensuring our tax dollars will go where promised and not end up diverted to the General Fund, where the money can be used for other purposes.

We need better accountability from politicians, not just higher taxes. Vote NO on Measure H.

**ARGUMENT AGAINST  
MEASURE H2024  
COUNTY OF SANTA BARBARA**

Supervisors Are Wasting Tax Dollars; Don't Give Them More of Your Hard-Earned Money!

The county makes no specific promises as to how they will spend this \$3 million tax and that should tell you something! The *real reason* county supervisors want to raise taxes is because they refuse to reduce the size and cost of their workforce of 4,763 employees. That is, the odds are the money from this tax will be used for out-of-control county employee salaries and benefits which cost \$824 million per year and average \$170,000 per employee which is twice as much as what most residents earn.

The supervisors' misplaced priorities include a \$400 million deficit in maintaining our roads and infrastructure and a plan to reduce the capacity of the jail to hold criminals. They wasted \$250 million on a "trash digester" that doesn't work. Millions more were squandered when the county was convicted of a felony for an oil spill for which they were responsible, not to mention their attempt to steal a contract for ambulance services which encouraged a judge to slap them with a preliminary injunction! County supervisors also burned through \$100 million in extra (COVID) money from the state and federal government and they have little to show for it.

Supervisors haven't laid off any workers in years, instead, they have been cutting services and raising fees for services to residents! Why is that? The sad truth is that our county government's top priority is to serve its employees, not the public, at taxpayer expense! More than one half of their \$1.6 billion budget goes into the pockets of county employees. Please don't vote for higher taxes until county supervisors tighten their own belt as working families have had to do. Vote NO on Measure H2024.

**REBUTTAL TO ARGUMENT AGAINST  
MEASURE H2024  
COUNTY OF SANTA BARBARA**

Opponents of Measure H claim it will impact your money, but that is completely false. Measure H is funded solely by tourists staying in 24 hotels outside of our cities - (local residents will not face any tax increase.) Here's why Measure H is a smart choice:

1. **Transparent:** Measure H clearly identifies priorities for County expenditures, such as:
  - **Enhance Emergency Services:** Improve response times and capabilities for better safety.
  - **Repair Roads:** Fix damage from recent storms to ensure safe transportation.
  - **Address Homelessness:** Invest in effective programs to manage and reduce homelessness.
  - **Flooding Protection:** Prevent flooding by cleaning storm drains (protecting homes and businesses).
2. **Tourist-Funded, (Not Resident-Funded):** We live in one of the most desirable places to visit in the world. Measure H ensures these visitors contribute a small additional amount to support the parks, roads and services they enjoy, instead of burdening local residents.
3. **Local Control and Economic Benefits:** Measure H funds will be managed locally, ensuring they directly benefit our community rather than being redirected by state or federal agencies. This investment supports local businesses, enhances public safety, and boosts our economy.
4. **Comprehensive Accountability:** Measure H guarantees transparency through public budget hearings and independent audits (ensuring funds are used efficiently.)

By voting YES on Measure H, you support a responsible solution for maintaining and improving essential services (*without increasing taxes for local residents*). This measure is a practical step to keep our infrastructure strong and our county thriving. **Vote YES on H!**

**MEASURE H2024**  
**COUNTY OF SANTA BARBARA**

ORDINANCE NO. 5217

BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA

ORDINANCE AMENDING SECTION 32-12 OF THE SANTA BARBARA COUNTY CODE  
TO INCREASE THE TRANSIENT OCCUPANCY TAX RATE TO  
FOURTEEN PERCENT (14%)

THE BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA ORDAINS AS FOLLOWS:

SECTION I: VOTER APPROVAL OF AMENDMENT TO SANTA BARBARA COUNTY CODE SECTION 32-12. Section 32-12 of the Santa Barbara County Code is hereby set forth for voter approval to read as follows:

Sec. 32-12. Transient Occupancy Tax

For the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of fourteen percent (14%) of the rent charged by the operator. Such tax constitutes a debt owed by the transient to the County which is extinguished only by payment to the operator or to the County. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax is not paid to the operator of the hotel, the County Tax Collector may require that such tax shall be paid directly to the County Tax Collector. The tax rate of fourteen percent (14%) shall take effect beginning January 1, 2025. In the interim period between the November 5, 2024 election and January 1, 2025, for the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of twelve percent (12%) of the rent charged by the operator.

SECTION II: NATURE OF TAX. If approved by a majority of the electorate voting on the measure, the ordinance will increase the current transient occupancy tax rate to fourteen percent (14%) of rent charged. The transient occupancy tax is a tax imposed upon transients for the privilege of occupying defined hotels located within the unincorporated territory of Santa Barbara County. The tax would be collected by hotel operators in the same manner as the current transient occupancy tax is collected. The collection of the tax from hotel operators would be administered by the Santa Barbara County Tax Collector as provided in Chapter 32, Article II of the Santa Barbara County Code.

SECTION III: GENERAL TAX. The transient occupancy tax imposed by this ordinance is a general tax within the meaning of Government Code Section 53721 and Article XIII C, Section 1 (a) of the California Constitution. The revenue generated by this general tax is available for general government use and purposes. To that end, the Auditor- Controller is instructed to deposit the revenue from the tax into the County General Fund. The County shall include an estimate of the revenue from this general tax, together with the estimates of other revenue sources, in the tabulation that is annually required to be prepared by Government Code Section 29060. The revenue from this general tax shall be made available to the Board of Supervisors for annual appropriation in the County's budget for any lawful expenditure. Nothing in this ordinance nor in any other ordinance, advisory measure, resolution, or policy shall be construed as limiting, in any way, the amount or the objects of the appropriations and expenditures that can be made from the revenue of the tax nor be construed as creating a continuing appropriation. The tax will remain in effect unless and until repealed.

SECTION IV: EFFECT. Voter approval of this ordinance shall have the effect of increasing the transient occupancy tax.

SECTION V: COMPLIANCE WITH THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA). Pursuant to CEQA Guidelines Section 15378(b)(4), adoption of this tax increase ordinance as a government funding mechanism is not a project subject to the requirements of CEQA. Prior to commencement of any project that may result from the expenditure of revenues from this tax increase, any necessary environmental review required by CEQA shall be completed.

SECTION VI: SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION VII: ELECTION. An election shall be held on November 5, 2024, on the issue of increasing the current transient occupancy tax rate to fourteen percent (14%) of rent charged. If the measure is defeated, the transient occupancy tax will remain at the existing transient occupancy tax rate of twelve percent (12%) of rent charged.

SECTION VIII: EFFECTIVE DATE. This ordinance shall take effect immediately upon its adoption by a majority of the electorate voting on the ordinance at the November 5, 2024 general election.
