STATEMENT OF CANDIDATE FOR United States Representative District 24 SALUD CARBAJAL Age: 61 Occupation: Member of Congress Education and Qualifications: I'm Salud Carbajal, and in Congress I'm fighting to lower the cost of living, keep our families safe, and deliver results for the Central Coast. My father was a farmworker in Ventura County. I worked two jobs while I attended UCSB, becoming the first in my family to graduate from a university, and proudly served in the Marine Corps Reserves. I know what it's like to work hard and still worry about making ends meet — that's what drives me in Congress. That's why I worked to pass the largest infrastructure investment in a generation, bringing over \$1 billion to our region — fixing highways and bridges, expanding high-speed internet, and supporting over 13,000 good-paying jobs. I voted to cap insulin at \$35 a month for Medicare recipients, lower prescription drug costs for seniors, and cut health insurance premiums — because no one should have to choose between medicine and groceries. Community safety is personal to me. I authored a provision in the first federal gun safety law in 30 years, giving law enforcement new tools to prevent violence before it happens. I've fought to strengthen services for veterans, protect our coastline from offshore drilling, expand access to housing, end forever wars, and defend immigrant families from ICE's terrorizing raids and family separations. My office has helped over 3,500 neighbors resolve issues with federal agencies, and I've worked to secure over \$8 billion for our region. Every dollar and every case matters — and so does your voice. Learn more: SaludCarbajal.com	STATEMENT OF CANDIDATE FOR United States Representative District 24 BOB SMITH Age: 47 Occupation: Defense Systems Engineer Education and Qualifications: The Central Coast is one of America's most extraordinary places, yet too many working families are being priced out of the communities they built and love. Housing, energy, and living costs here rank among the nation's highest. We need practical leadership that delivers results, not rhetoric. I am a Navy veteran who served 26 years, rising from junior enlisted sailor to Commander. As a Naval Officer and Systems Engineer, I led high-stakes national security programs and solved some of our military's toughest technological challenges. Service and leadership have defined my life. I am running for Congress to continue that service, not to build a political career, but to deliver real solutions for the Central Coast. My priorities are clear: restore affordability and expand homeownership; strengthen agriculture and protect our agricultural heritage; secure reliable energy and water; build education and workforce pathways that make the Central Coast a national leader in technology and innovation; advance responsible immigration reform; defend our nation; and support our veterans. The challenges we face are not partisan. They are practical. I will evaluate every issue independently, judge ideas by whether they work, and work with anyone willing to get results. My commitment is to the people of the Central Coast. I will fight to bring federal resources home, strengthen our local economy, and ensure our children can build their futures here. Common Sense. Common Ground. Central Coast First. I respectfully ask for your vote. www.bobsmithforcongress.com

Occupation: Licensed Counselor

Education and Qualifications: I am running for the Santa Barbara Community College Board of Trustees because our community deserves a college that puts local students first while remaining innovative, fiscally responsible, and committed to academic excellence.

I know the importance of affordable higher education and job training firsthand. When Artificial Intelligence eroded my previous career SBCC gave me training to become a certified counselor and reenter the workforce with a new purpose: public service.

As AI and emerging technologies reshape our economy, SBCC must prepare students and working adults for fulfilling careers through workforce education, expanded bachelor's degree programs, and partnerships with local employers.

I will support responsible, long-term solutions to improve access and services for local students, maintain fiscal discipline, and carefully explore future opportunities for student housing.

I will always support the Santa Barbara City College School of Extended Learning which provides critical education, career development, enrichment, and life skills to people of all ages.

I will lead with integrity, listen to our community, and preserve SBCC's outstanding reputation as an institution that changes lives and strengthens our community and local economy.

I would be honored to have your vote to help Santa Barbara City College serve Santa Barbara effectively for generations to come.

E HOWARD GREEN

Occupation: Lifelong Learner/Community Volunteer

Education and Qualifications: growing up in Berkeley, where my mother taught junior high civics and history, I earned a business degree at UC-Berkeley and began a systems analyst career in San Francisco. Subsequently, I worked on software projects with PBS and a nascent computer-based learning management system. The company's motto was 'There is no saturation point in education.'

My librarian wife and I moved to Santa Barbara over twenty years ago. I held a seat on the Santa Barbara City Transportation and Circulation committee and have been the city appointee to the Central Coast Commission for Senior Citizens. I volunteer with the Red Cross, do Medicare counseling for those turning 65 and during annual enrollment, and work at United Way doing tax-preparation.

I firmly believe public education is the cornerstone of democracy. Responsibility falls to elected officials to ensure colleges meet the diverse needs of all. As a lifelong-learner I support both vocational and academic pursuits for all: youths, adults, and retirees.

SBCC is much more than a City College; it provides strong community support from Carpinteria to Gaviota. From Nursing to Zoology. From ESL to AI. One two-year student program can assure acceptance at most California University campuses.

I seek your support in providing my broad knowledge and perspectives to the Santa Barbara Community College District.

I fight for Santa Barbara: protecting our natural environment, public safety, libraries, parks, the arts, our distinctive character, and our diverse community. I will lead us forward with resolve and optimism. I pledge a balanced budget and restored reserves, to ensure our future. As a professor of Environmental Geology, I know the pressures we face from a changing climate. I initiated our Sustainability and Resilience Department, chaired the Sustainability Committee, championed our Wildland Fire Protection Plan, launched Santa Barbara Clean Energy, chaired our Sea Level Rise Adaptation Plan, and as President of Cachuma Water Boards, protected our water. I want a Santa Barbara where working families and seniors can afford to stay, and the next generation can build a life. I led on creating the Local Housing Trust Fund and increasing affordable units, while saying no to vacation rentals. Homes should be lived in. STATEMENT OF CANDIDATE FOR City of Santa Barbara Mayor WENDY SIMS-MOTEN Occupation: Executive Director Education and Qualifications: Santa Barbara has been my home for 40 years. I raised my family here, built my career here, and dedicated my life to serving this community. I'm running for mayor to give back to the city that shaped my life. For more than 30 years, I've managed public budgets and programs that serve children and families. As Executive Director of First 5 Santa Barbara County, and previously as a Business Manager, I've built a record of fiscal responsibility, transparency, and accountability. I also served eight years on the Santa Barbara Unified School District Board of Trustees, including as Board President, where I balanced challenging budgets, made difficult decisions, and built partnerships that strengthened our community. As mayor, I'll prioritize affordable housing, public safety, parks and infrastructure, environmental stewardship, support for small businesses, affordable childcare, opportunities for young people, and responsible budgeting. I'm ready to serve Santa Barbara with experience, integrity, and a commitment to bringing people together to build a city that is safe, inclusive, financially responsible, and full of opportunity for everyone.	STATEMENT OF CANDIDATE FOR City of Santa Barbara Mayor ERIC FRIEDMAN Age: 49 Occupation: Councilmember/Grocery Worker Education and Qualifications: Santa Barbara is home. It's where I grew up, met my wife Julie, and where we're raising our sons. As your Mayor, I will tirelessly protect what makes Santa Barbara extraordinary while ensuring opportunities for every neighborhood and future generations. For eight years on the City Council and as a clerk in your neighborhood grocery store, I've listened to families, seniors, young people, workers, and small business owners. I understand and am deeply committed to leading through the challenges we face: housing affordability, expanded economic vitality anchored by a strong and lively downtown, modernizing emergency preparedness and response, environmental stewardship, and a budget that doesn't borrow against our future. With 25 years of public service experience and a Master's Degree in Public Administration, I have a proven record of bringing people together to achieve results: creating Santa Barbara's Local Housing Trust Fund, updating our Wildfire Protection Plan, revitalizing Library Plaza and creating the Children's Library, championing our new police station, and pushing for balanced, honest budgets. Santa Barbara deserves a Mayor for Everyone, someone who listens, respects our history while embracing the future, and works for our whole community. I respectfully ask for your vote. STATEMENT OF CANDIDATE FOR City of Santa Barbara Member of the City Council, District 6 JASON CARLTON Education and Qualifications: I am Jason Carlton, 6th district renter, husband, father, and small business owner in Santa Barbara for over 20 years. I am in this race because I love this city, it's my home, it's our home. My experience running a small business requires strong problem solving skills, financial competency and a strong work ethic. Skills that make me an ideal advocate for the local community. Empty store fronts, high taxes, aggressive ticketing, and rampant homelessness are just a few of the issues local residents deal with every day. We need change, the current council has failed to make decisions on important issues and the needs of our citizens are not being properly addressed. I am not a politician, I am a hands on blue collar worker. We pay Disneyland prices to live in Santa Barbara, and I'm not seeing a good return on our investment. I will steady our city finances and take the steps to improve affordability and our quality of life. Creative solutions are required to keep our unique city the envy of the rest of the world. I am up to the task, I would be honored to have your vote.	STATEMENT OF CANDIDATE FOR City of Santa Barbara Member of the City Council, District 6 ANABELLA LEHNE Age: 42 Occupation: Loan Signing Agent Education and Qualifications: I am proud to call Santa Barbara home, where my family has put down roots for four generations. Born and raised here, I know this city from a lifetime here. As a mother of two, my children have attended our public schools as I once did. I graduated from UC Santa Barbara with degrees in Law and Society and Spanish, and attended law school for two years. I spent five years in education as a teacher and leader, then five years in Social Services for Santa Barbara County, helping families access essential services. My career has always been about serving people. Today, I own and operate a small business as a Loan Signing Agent and Notary Public. As a small business owner, I understand the regulations, costs, and challenges facing local businesses. I am running for City Council because our community deserves leadership that listens, works hard, and plans responsibly. I will bring the perspective of a lifelong resident, educator, mother, and small business owner, working to keep Santa Barbara safe, fiscally responsible, and thriving for generations to come.
STATEMENT OF CANDIDATE FOR City of Santa Barbara Member of the City Council, District 6 ALEXANDER STOEBER Age: 34 Occupation: Real Estate Advisor Education and Qualifications: I know what housing instability does to a family. As a child, I experienced homelessness. Coming to UCSB brought me to Santa Barbara, where I found the stability and opportunity to build a life. Today I am a District 6 renter and real estate advisor. I see how rising costs and slow city decisions push teachers, nurses, tradespeople, first responders, and small businesses farther away. I am running to make it more affordable to build a life here. I will focus on three results: more homes where they fit, faster approvals with clear deadlines, and a State Street where local businesses can open, stay, and grow. That means workforce housing, city land used for public value, and stability for today's renters while making room for tomorrow's. Affordability also requires a city that works: strong police and fire services, clean and usable public spaces, and a real path from crisis to treatment and stability. On every vote, I will set a goal, a deadline, and a public measure that you can hold me accountable to. Santa Barbara gave me a future. I am running so more people can build one here.	STATEMENT OF CANDIDATE FOR City of Santa Barbara Member of the City Council, District 6 GABE ESCOBEDO Education and Qualifications: As your Planning Commissioner and School Board Member, I've worked to deliver practical solutions that make Santa Barbara a better place to live. I've helped build affordable workforce housing, strengthened our public schools, and made thoughtful decisions that balance growth with protecting the character of our neighborhoods. I know firsthand that Santa Barbara is becoming harder to afford. Working families, young professionals, teachers, nurses, and first responders deserve the opportunity to build a future here. I will work every single day to expand affordable housing, support local businesses, improve city services, and make City Hall more responsive and accountable. I will bring people together, listen before making decisions, and focus on practical results that make a difference in people's lives. My priorities are simple: improve quality of life, protect what makes Santa Barbara special, and ensure our city delivers real value for the people who live and work here. I'm proud to have earned the endorsement of many local community leaders who know my record of thoughtful leadership and public service. I respectfully ask for your vote. How do I get this? You do not have to sign up for these types of alerts but you do have to be tuning into a local TV, radio, or cable/satellite station.

Wireless Emergency Alerts (WEA):

WEA is a public safety alerting tool that allows customers who own certain wireless phones and other enabled mobile devices to receive geographically- targeted, text-like messages alerting them of imminent threats to safety in their area.

How do I get this? You do not need to sign up to receive a WEA, but wireless companies volunteer to participate in the system, so check with your cell phone company to find out if they participate.
