Accessible Voting

The following resources are available to assist voters. **To apply for assistance, please complete and return the application on the back of this guide.**

**Language Assistance.** Bilingual (English/Spanish) staff will be available at all county election offices and polling places. Assistance for additional languages is available using an interpreter service.

**Election Materials in other Formats.** Audio CDs and large print versions of the information printed in this guide and the State Voter Information Guide are available upon request.

**Remote Accessible Vote by Mail (RAVBM) System.** The RAVBM system allows a voter to independently download, mark, and print their ballot on their own computer using their personal assistive device (including mouse). The voter can then use the return envelope that came with their Vote by Mail ballot packet or their own envelope to return the voted ballot and signed declaration. RAVBM ballots can be returned in the same way as all other Vote by Mail ballots and have the same receipt deadline.

To request a RAVBM Ballot, please call 1-800-722-8683 or email votebymail2@countyofsb.org. For more information see the Remote Accessible Vote by Mail page at [www.sbcvote.com/RAVBM](http://www.sbcvote.com/RAVBM).

**Curbside Voting.** Curbside voting is available at all county election offices and polling places for voters unable to come into the designated location. To use curbside voting, voters can:

- Call 1-800-722-8683 in advance to request curbside voting at the county elections office or polling place; or
- Follow the curbside voting signs to the designated parking space and ring the bell for assistance or call 1-800-722-8683 once arriving at the polling place.

**Accessible Voting System.** Each county elections office and polling place will have at least one (1) ImageCast X® (ICX) ballot marking device with ballots available in English and Spanish, and the following:

- An audio option that reads the ballot in both languages through provided headphones;
- A universal plug for personal assistive devices if needed; and
- Large print and black/white contrast.

**Other Aides Available at the Polling Place Upon Request.** Easy grip pens and Handi-Lens Magnifiers are available upon request.

**Personal Assistance Marking Your Ballot.** Voters have the right to get help casting their ballot from anyone they choose, except from their employer or union representative. Voters can bring up to two (2) people to assist them. A voter may be asked to use the curbside voting option if, at the time of the election, COVID-19 guidelines require limiting capacity at locations.
How to Vote at the Polls

Find your polling place on the back cover of this guide or call the county elections office at 1-800-SBC-VOTE or 1-800-722-8683.

Look near the wheelchair symbol on the back cover of your guide to determine if your polling place is accessible to voters with specific needs. The county elections office attempted to locate polling places that are accessible to all voters. However, in some cases a location needed to be used that didn’t meet all the accessibility requirements. Due to this, we are offering curbside voting at all our county elections offices and polling places.

What do I do to vote at my Polling Place?
1. Take your ballot you received in the mail to your polling place and give it to the Check-In Clerk.
2. You will be asked to provide your name and address and if you will need any assistance.
3. You will then be asked to verify your information and sign on the Electronic Poll Book Tablet.
4. You will then be provided a ticket to retrieve your Poll Ballot from the Ballot Issue Workstation. Please make sure your ballot matches the Sample Ballot in this guide and follow the instructions on the ballot.
5. Vote your ballot at one of the voting booths and use the disposable secrecy sleeve to cover your voted choices. Then take it to the ballot box to deposit.

What to do if...
You do not have your Vote by Mail ballot to turn in and want to vote at your polling place:
- If the election officers at your polling place are able to confirm that you have not already returned a ballot, you will be given a Poll Ballot to vote. If the election officers are unable to confirm that you have not already voted, you will be issued a Provisional Ballot which will be counted once it is confirmed you have not already voted in the election.

You changed your name and did not reregister:
1. Let the Check-In Clerk know. They will give you a new voter registration card to complete.
2. You will need to sign your new and old name on the Electronic Poll Book Tablet.

You are at the wrong polling place or you are listed at a different address:
- You will be given a form to complete to update your address.
- If you are at the wrong polling place, you will be given the option to go to your correct polling place; or
- You have the option to vote provisionally using an ImageCast® X (ICX) ballot marking device for your precinct’s ballot, or you will be issued a ballot from the available ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:
- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up two (2) people to assist you with marking your ballot.
  - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. A poll worker is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.

Important Voter Registration Information

Eligibility to Register to Vote
A person entitled to register to vote must be a United States citizen, a resident of California, not currently serving a state or federal prison term for the conviction of a felony, not currently found mentally incompetent to vote by a court, and at least 18 years of age at the time of the election. A person may pre-register to vote if that person is at least 16 years of age and meets all the other requirements to vote. Pre-registrants are automatically registered to vote on their 18th birthday.

Has your voter registration status changed?
- Have you moved?
- Have you changed your name?
- Have you changed your political party preference?
- Has your mailing address changed?

If you can answer yes to any of these questions, then you need to update your voter registration at http://www.registertovote.ca.gov or follow the link on the Santa Barbara County Elections Division website at http://www.sbcvote.com.

Requirements for First Time Federal Voters
Any person voting for the first time who registers by mail and does not provide their California driver's license, California identification number, or last four digits of their Social Security number, will be asked to show a form of identification when they go to the polls, or must provide a copy of that identification with their Vote by Mail ballot. Failure of First Time Federal Voter to provide identification when voting, may result in their ballot not being counted. There are 30 forms of identification that can be used for this purpose under the Help America Vote Act of 2002, including a government issued check or a utility bill that includes the person’s name and address.

For a full list of the forms of identification that can be used, visit the Secretary of State’s website at: https://www.sos.ca.gov/elections/hava-id-standards/.

Forgot to update your registration or know someone that needs to register?
No problem! If you need to update your voter registration or know someone that needs to register to vote, eligible citizens can register to vote and vote a ballot up to and including Election Day. This is known as conditional voter registration.

Conditional voter registration can be done at any county elections office or polling place in your county. If your residence address has changed and you did not update your registration with your new residence address, your polling place on the back cover of this guide might not be the correct polling place for your new residence address.

To find the correct polling place for your address and make sure you receive a ballot containing all contests you are eligible to vote on, please call our office at 1-800-SBC-VOTE (1-800-722-8683). You can also use the polling place lookup on the current election page on our website at http://www.sbcvote.com.

If you do not confirm your polling place, the ballot you may be given might not be the exact ballot that you are entitled to vote; it may have different candidates and ballot measures. Once it is determined that you are eligible to register to vote, the county elections office will count only the votes for the candidates and measures that you were entitled to vote.
Who are my Representatives?

What is redistricting?
A national census is conducted every ten years to provide an updated count of the country’s population. State and county redistricting commissions and jurisdictions then use the census data to redraw jurisdictional district boundaries to adjust for changes in population and ensure equal representation. Additionally, many cities, school districts, and special districts use the census data to determine if they will be moving from “at-large” representation to “district-based” representation. The Elections Division then adjusts precinct lines to align with the new jurisdictional district boundaries. This may result in new precincts being added and/or changes to precinct numbers.

What does “district-based” representation mean?
Cities, school districts, and special districts may choose to have some or all of their elected councilmembers, trustees, or directors elected by, and represent, a specific geographical area within their jurisdiction.

This method of election is known as “district-based” or “by district.” Only voters living within the jurisdiction’s district will vote on a candidate that also lives within that district. The other method of election is “at-large,” which means that voters of the entire jurisdiction will vote on a candidate that also lives within the jurisdiction.

Some jurisdictions use both methods, for example, a city may choose to have their Mayor elected “at-large” and their councilmembers elected “by district.”

What does this mean for me as a voter?
The newly adopted jurisdictional boundaries may change what districts you live in, your precinct number, your polling place, who your elected representatives are, and what contests will appear on your ballot. For instance, if you lived in the Assembly District 35 in Santa Barbara County, you now live in the Assembly District 37. For the upcoming election, your ballot will contain the contests you are eligible to vote on based on the new jurisdictional district boundaries.

NOTE: Your representatives will remain the same until the election for the new district occurs and the elected representative’s term begins.

What Congressional and State Legislative districts are in Santa Barbara County?
Santa Barbara County is now within one U.S. Congressional district, one State Senate district, one State Assembly district, and one State Board of Equalization district.

The new districts are:
- U.S. Congressional District 24 (up for election in 2022)
- State Senate District 21 (up for election in 2024)
- State Assembly District 37 (up for election in 2022)
- State Board of Equalization District 2 (up for election in 2022)

Where can I view the newly adopted jurisdictional boundaries?
State Legislative district boundary maps may be viewed on the California Citizens Redistricting Commission’s website (www.wedrawthelinesca.org).

County Supervisorial district boundary maps may be viewed on the Maps link under the Resources menu at www.sbcvote.com.

For cities, school districts, and special districts, please visit the jurisdiction’s website to view their adopted maps.

How can I look up who my representatives are?
You can find the information about your current representatives using the District and Elected Official Lookup tool at www.sbcvote.com, or by contacting the Elections Division office at 1-800-SBC-VOTE (1-800-722-8683).

Expenditure Limitations – State Legislative Candidates

<td><strong>Education and Qualifications:</strong> I am running for Congress because I believe our country has lost its way. This Administration’s policies have caused the highest inflation in 40 years, suffocated businesses with overregulation, increased crime and attacks on police, doubled gas prices, encouraged immigrants to stream across open borders, and failed our children’s education; the list of problems is endless. As a pediatric heart surgeon, I’ve spent 40 years practicing and studying medicine, all to help people live better lives. I’m also a small business owner. As your congressman, I will take the real-life problem-solving approach I learned as a doctor and business owner to Washington D.C. to provide real solutions, not more politics. I want to reduce spending and cut federal regulations to lower inflation and let businesses flourish. Bring back public safety by supporting law enforcement, give parents more school choice, stop government mismanagement of Covid-19, and solve our energy shortage by increasing domestic energy production from all sources. I will bring common sense, accountability, and real-life experience to Congress, instead of empty political talking points. I want to help end government that is too big, too intrusive, and utterly irresponsible with your money. That is why, in this era of political evasion and posturing, I offer a written commitment that clearly states my positions, no fine print. (<a href="http://www.drbradallen.com/contract">www.drbradallen.com/contract</a>) If you have finally had enough of career bureaucratic politicians, and want a leader that brings real-life commonsense solutions, then I humbly ask for your vote. For more information, please visit <a href="http://www.drbradallen.com">www.drbradallen.com</a>. Thank you.</td>
<td><strong>Education and Qualifications:</strong> I’m Salud Carbajal, and as your Representative in Congress, I have continued to advance our Central Coast priorities and deliver for our communities. I grew up in Ventura County, where my father worked as a farmworker. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served in the Marine Corps Reserves and as a Santa Barbara County Supervisor. My wife, Gina, and I raised our family here, and now our grandchildren are growing up in this community. In Congress, I’ve focused on solving challenges facing Central Coast families by passing laws that will curb inflation, lower your costs, and create good-paying jobs. I’ve worked to bring home million-dollar investments to expand access to public transit, high-speed internet, and clean drinking water. I’m proud to have spearheaded efforts to bring long overdue reforms to gun safety laws, expand veterans’ health benefits, and reduce the cost of healthcare and prescription drugs. I’m fighting for climate solutions that will tackle wildfire and drought responses. And I will always protect reproductive rights and marriage equality. I would be honored to continue working for you in Congress. For more information, please visit SaludCarbajal.com. I kindly ask for your vote. Thank you.</td>

STATEMENT OF CANDIDATE FOR
Member of the State Assembly, District 37

MIKE STOKER
Occupation: Small Businessman

Education and Qualifications: California is headed down the wrong track. Inflation is at a 40-year high; housing, gas and groceries are too expensive; and wages have remained flat for too many. All the while, career politicians continue to attack Prop. 13 taxpayer protections and push pro-criminal policies that cut funding for law enforcement.

These politicians are taking California in the wrong direction for parents, law enforcement, small businesses, farmers and taxpayers. They’re even pushing policies that make water and energy a scarcity.

It’s time for a new direction for California!

For 40 years, I have lived, worked and raised a family right here on the Central Coast. In addition to owning and operating my own small business, I have always answered the call for public service when asked by Presidents or Governors. As a former County Supervisor, Deputy Secretary of State, Chair of the Agriculture Labor Relations Board and Southwest Administrator for the Environmental Protection Agency, I have stepped up to the plate and got the job done.

Like any California small business owner, I have never been one to run away from a challenge. As your next Assemblyman, I’ll bring the same small business mentality to Sacramento tackle California’s issues head-on.

The question for you in this election couldn’t be simpler. If you think inflation is bad and California is headed in the wrong direction we need a proven leader, not a career politician. Join me as we chart a new course for California. Please visit www.StokerforAssembly.com to learn more.
| STATEMENT OF CANDIDATE FOR  
| Governing Board Member  
| County Board of Education, Trustee Area 1  

**MARYBETH CARTY**  
**Occupation:** Executive Director, Natalie Orfalea Foundation

**Education and Qualifications:** I am running for reelection on the Santa Barbara County Board of Education, on which I have proudly served since 2013. I firmly believe that public education is the cornerstone of democracy; along with upholding the right of everyone to receive a free K-12 education in our nation, the responsibility falls to elected school board officials to ensure that the schools in the communities in which we serve are prepared to meet the diverse needs of all students. This includes providing the necessary support for students, teachers and districts while recognizing the disparate needs that surface between districts, and working collaboratively to address sustainable solutions.

I am a 45 year resident of Carpinteria where my husband and I raised our two children. We now get to enjoy watching our two grandchildren grow just several doors away. I have dedicated my adult life to the pursuit of community strengthening, with a child-centered focus. I have worked to support the nonprofit sector for over 20 years, currently serve as the Executive Director of the Natalie Orfalea Foundation and held a management position in corporate philanthropy for 15 years prior. I administered and directed educational programs in the Carpinteria Unified School District for 10 years and have volunteered in Santa Barbara County schools for over 40 years. I attended UCSB and Antioch University and earned a BA in Psychology, and serve on numerous nonprofit boards that support youth, education, community action and coalition building. Public education is transformational, and I am committed to the task of continuous improvement in our system.

| County Board of Education, Trustee Area 1  

**ROSANNE CRAWFORD**  
**Occupation:** Former Radiation Protection Specialist State of Ca Dept of Health Services

**Education and Qualifications:** I am invested in our community with grown children and young grandchildren.

I will bring fresh ideas and positive change to our struggling schools. We must do better. The Santa Barbara public schools have failed our students, particularly the most challenged.

The test scores show a lack of consistency in results with some schools above the state average and most below average in both English and math.

A deficiency our Grand Jury noted was the lack of any standardized testing between our schools. This needs to change. We need better tools to evaluate learning to choose effective programs. The foundation for success in education is English and math.

I will work to bring the focus back to basics. Literacy is key.

Entry level, vocational jobs and higher education all require good skills in these areas.

My diverse background and professional career which included teaching as well as owning a small educationally focused business for 30 years allows me to be effective with all educational backgrounds and cultures.

**DEBI STOKER**  
**Occupation:** Mother/Small businesswoman  
**Education and Qualifications:** My name is Debi Stoker. I am a mother and small businesswoman, and I want to be your next Trustee on the Santa Barbara City College Board of Trustees.

The discord I have seen at City College over the past several years has led me to stand up and run for Trustee.

The current administration put the interests of school bureaucrats and the unions over the interests of our local students. They have adopted policies that give preference to foreign exchange students before our local students. This is so wrong.

At one time our City College and its library was the gem of the community college system nationwide. Today, shamefully it has fallen in the ranks. With your help, we will restore our City College to the level it once was.

Recently my daughter graduated from City College with unfulfilled promises. My son, a Sergeant in the U.S. Army, is currently enrolled for fall term to finish his education and advance his career.

I may not be able to change things in time to help my son, but we can make positive changes that will benefit the next generation of local City College students.

I am Debi Stoker, and I would be honored to have your support.

**CHARLOTTE GULLAP-MOORE**  
**Occupation:** Nurse Practitioner/Professor  
**Education and Qualifications:** I am running for Santa Barbara City College Board Trustee District #1 because through my professional and volunteer experience, I have learned the kind of leadership and advocacy skills that will help us take SBCC into a new generation. As Trustee, I will support sustainable policies and ensure equitable access for all students. I want to foster a community college that supports our students and meets their needs as they come through our system.

I am a product of a community college, subsequently transferring and receiving a Bachelor of Science, a Master of Science, and recently a Doctor of Nursing Practice from the University of San Francisco. As a member of our nation's largest and most trusted healthcare profession, I have over two decades in the workforce as a Registered Nurse, Nurse Practitioner, entrepreneur, and faculty at California State University – Channel Islands.

I am proud of my public service and have represented several non-profits and non-partisan organizations, advocated for legislative bills at the state and federal levels, and annually allocated thousands of dollars of block grant federal funds. As a nurse, I will bring an empathetic ear and an experienced eye to all decisions on campus and in the community and would be honored to have your vote as SBCC Board Trustee.

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California’s open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party’s official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Judicial Confirmation

Under the California Constitution, justices of the Supreme Court and the courts of appeal are subject to confirmation by the voters. The public votes “yes” or “no” on whether to retain each justice. These judicial offices are nonpartisan.

Before a person can become an appellate justice, the Governor must submit the candidate’s name to the Judicial Nominees Evaluation Commission, which is comprised of public members and lawyers. The commission conducts a thorough review of the candidate’s background and qualifications, with community input, and then forwards its evaluation of the candidate to the Governor. The Governor then reviews the commission’s evaluation and officially nominates the candidate. The Commission on Judicial Appointments must then confirm or reject the nomination. Only if confirmed does the nominee become a justice.

Following confirmation, the justice is sworn into office and is subject to voter approval at the next gubernatorial election, and thereafter at the conclusion of each term. When a state Supreme Court or Court of Appeal justice is near the end of a term in office, voters are asked to decide if the justice will be retained (continue to serve) for an additional term. This is called a retention election.

In retention elections, justices do not run against opposing candidates. If a justice receives more “yes” votes, the justice may remain in his or her position. If a justice receives more “no” votes, the justice will complete the current term and then a new justice will be appointed by the Governor.

State Supreme Court justices hold statewide office so all California voters participate in Supreme Court retention elections. Courts of Appeal justices serve in one of six districts in California. Only registered voters within an appellate district are asked to determine if the justices of that district will be retained.

For more information about Supreme Court justices and Appellate Court justices, visit courts.ca.gov.

Additional information can be found in the State Voter Information Guide mailed to each household or online at https://voterguide.sos.ca.gov/ or available upon request to our office at 800-722-8683 or at any elections office or polling place location.

Notice to All Voters Regarding the United States Senate Contests

There are two United States Senate contests on the November 8, 2022, General Election ballot.

- The first contest is the regular election for the full 6-year term ending January 3, 2029.
- The second contest is a special vacancy election (the current officeholder is temporarily filling a vacancy) for the remainder of the current term ending January 3, 2023.

You may vote for both contests.

Party Endorsements – Submitted at the option of the Political Party

Not all parties submit endorsements and some parties may endorse a candidate from another party. A candidate’s party preference does not necessarily mean that they have that party’s endorsement or support.

The following Political Parties have submitted endorsements and have been listed below in the order of the Santa Barbara County randomized alphabet drawing.

**VOTER-NOMINATED AND NONPARTISAN OFFICES**

All voters, regardless of the party preference they have listed on their registration, or refusal to declare a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by or the party that approves the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.

### Write-In Candidates

*To vote for a qualified write-in candidate, fill in the oval next to the blank line and write the person's name in the blank space provided for that purpose after the names of the other candidates for the same office.*

*Do not write-in a candidate whose name already appears on the ballot for that contest.*

Where two or more candidates for the same office are to be elected, place a mark next to the names of all candidates for the office for whom you desire to vote, not to exceed, however, the number of candidates to be elected.*

*To vote for any measure, fill in the oval next to the word "Yes" or next to the word "No."*

*Marking the ballot outside of the designated space to vote for a candidate or measure may compromise the security of the ballot.*

*If you wrongly mark, tear, or deface the ballot, contact the elections officials for instructions or to obtain another ballot.*
