Accessible Voting

Language Assistance. Bilingual (English/Spanish) staff is available at County Elections Division offices and polling places. Assistance for additional languages is available using an interpreter service.

Election Materials in Other Formats. Audio CDs and large print versions of the information printed in this guide and the State Voter Information Guide are available upon request. To request an audio or large print copy of this guide, return the application located on the back of this guide, or contact the County Elections Division at 1-800-SBC-VOTE (1-800-722-8683).

Remote Accessible Vote by Mail (RAVBM) System. The RAVBM system allows a voter to independently download, mark, and print their ballot on their own computer using their personal assistive technology. A voter may use the return envelope that came with their Vote by Mail ballot packet or their own envelope to return their voted ballot and signed declaration.

RAVBM ballots can be returned in the same way as all other Vote by Mail ballots and have the same return deadline.

To request a RAVBM ballot, please email votebymail2@countyofsb.org or call 1-800-722-8683. For more information refer to the “Remote Accessible Vote by Mail” page in this guide or visit the “Remote Accessible Vote by Mail” webpage at sbcvote.com.

Curbside Voting. Curbside voting is available at all County Elections Division offices and polling places for voters unable to come into their designated voting location. To use curbside voting, voters can:

- Call 1-800-722-8683 in advance to request curbside voting at one of the County Elections Division offices or their polling place; or
- Follow the curbside voting signs to the designated parking space and call 1-800-722-8683 once they arrive at the polling place.

Accessible Voting System. All County Elections Division offices and polling places have at least one (1) ImageCast X® (ICX) ballot marking device with ballots available in English and Spanish. The ImageCast X® (ICX) ballot marking device provides:

- an audio option that reads the ballot in both languages through provided headphones;
- a universal plug for personal assistive technology; and
- large print and black/white contrast viewing options.

Other Aides Available Upon Request. Easy grip pens and magnifiers are available upon request at all County Elections Division offices and polling places.

Personal Assistance Marking Your Ballot. Voters have the right to get help casting their ballot from anyone they choose, except from their employer or union representative. Voters may bring up to two (2) people to their polling place to assist them while voting.

Remote Accessible Vote by Mail (RAVBM)

The RAVBM system gives voters the ability to read and mark their ballot privately and independently on their personal devices. Any active voter can request and receive access to the RAVBM system.

The RAVBM system allows you to:

- ✓ Mark your selections and review them prior to downloading and printing your voted ballot.
- ✓ Use your own assistive technology devices to read and mark your ballot.
- ✓ Select English or Spanish language.
- ✓ Change the screen contrast and font size for your ballot.

RAVBM is not “internet voting.” **You cannot submit your selections online. You must print and return your marked ballot by mail or in person.**

How to vote with RAVBM:

1. Request an RAVBM ballot access link. Submit your request:

- **Online:** Complete an electronic request online at sbcvote.com/RAVBM or when you review your voter information on My Voter Status webpage at voterstatus.sos.ca.gov, or
- **Via Email:** Email your request to votebymail2@countyofsb.org, or
- **By Phone:** Contact the County Elections Division at (805) 568-2200 or 1-800-722-8683.

RAVBM requests will be accepted through October 29, 2024.

2. Mark your ballot

Use the access link to open your ballot. Mark the ballot on your own computer, with your own assistive technology, if needed.

3. Review and print your ballot

Review your ballot choices and make any corrections. Download and print your ballot.

4. Seal and sign your ballot return envelope

Place your RAVBM ballot in the identification return envelope you received in the mail with your official ballot. Only vote and return one ballot, either the one mailed to you or the RAVBM ballot. It is a crime to vote twice. Sign the voter’s declaration (punched holes tell you where to sign). Seal the envelope. If you misplaced the official return envelope, please email votebymail2@countyofsb.org or call 1-800-722-8683 to request a new envelope.

5. Return your ballot:

-  By mail. Must be **postmarked** by Election Day, November 5, 2024, and received in our office by **November 12, 2024**.
-  At any official ballot drop box in California. Ballots must be received by 8:00 p.m. Pacific Standard Time on Election Day, November 5, 2024.
-  At any in-person voting location or any county elections office in California. Ballots must be received by 8:00 p.m. Pacific Standard Time on Election Day, November 5, 2024.

How to Vote at the Polls

Find your polling place on the back cover of this guide, visit our *Upcoming Elections & Events* webpage at **sbcvote.com**, or call the County of Santa Barbara Elections Division at 1-800-SBC-VOTE (1-800-722-8683). If no polling place is assigned, this means your registered address is in a mail ballot precinct.

Look near the wheelchair symbol on the back cover of this guide to determine if your polling place is accessible to voters with specific needs. Curbside voting is also available at all County Elections Division offices and polling places.

What do I do to vote at my Polling Place?

- Take the Vote by Mail ballot you received in the mail to your polling place and give it to the Check-In Clerk.
- Provide your name and address to the Check-In Clerk and let them know if you will need assistance marking your ballot.
- Verify your information and sign on the Electronic Poll Book Tablet. You will receive a ballot issue ticket.
- Take your ballot issue ticket to the Ballot Issue Clerk to get your ballot. Please make sure your ballot matches the Sample Ballot in this guide.
- Vote your ballot at one of the voting booths.
- Deposit your voted ballot into the ballot bag.

What to do if...

You do not have your Vote by Mail ballot to turn in to the Check-In Clerk and want to vote at your polling place:

- If the Check-In Clerk can confirm that you have not voted in the election, then you may be issued a poll ballot to vote. If the Check-In Clerk is unable to confirm that you have not already voted in the election, you will be issued a Provisional Ballot to vote. Your Provisional Ballot will be counted once it is confirmed you have not already voted in the election.

You changed your name and did not re-register:

- Let the Check-In Clerk know. They will give you a new voter registration card to complete.
- You will need to sign your new and old name on the Electronic Poll Book Tablet.

You are at the wrong polling place or you are listed at a different address:

- If you have a new address, the Check-In Clerk will give you a form to complete to update your address.
- If you are at the wrong polling place, you have the following options:
 - Go to your correct polling place; or
 - Vote using an ImageCast® X (ICX) ballot marking device for your precinct's ballot; or
 - Vote a Provisional Ballot from the available poll ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up to two (2) people to assist you with marking your ballot.
 - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. An Election Officer is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.

Important Registration Information

Eligibility to register to vote

To register to vote in California a person must be:

- ✓ a United States citizen and resident of California,
- ✓ 18 years old or older on Election Day,
- ✓ not currently serving a state or federal prison term for the conviction of a felony, and
- ✓ not currently found mentally incompetent to vote by a court.

A person may pre-register to vote if that person is at least 16 years of age and meets all the other eligibility requirements. Pre-registrants are automatically registered to vote on their 18th birthday.

Re-register to vote

If you have moved,
If you have changed your name,
If you want to change your political party preference, or
If your mailing address has changed.

You may re-register to vote online at registertovote.ca.gov or request a paper voter registration application from the County Elections Division by calling 1-800-SBC-VOTE (1-800-722-8683), or emailing voterreg@countyofsb.org.

Deadline to register or re-register to vote

The last day to register to vote for the November 5, 2024 Presidential General Election is **October 21, 2024**.

Conditional Voter Registration

Voters who miss the deadline to register or re-register to vote may visit one of the County Elections Division offices between October 22, 2024, and November 5, 2024, or go to their polling place on Election Day to “conditionally” register and vote.

If visiting a polling place on Election Day, use the polling place look up tool at sbcvote.com or call 1-800-SBC-VOTE (1-800-722-8683) to locate your polling place.

If you are a military or overseas voter or a voter with disabilities, contact the County Elections Division to learn about conditional voter registration and voting options that are available to you.

Phone: 1-800-SBC-VOTE (1-800-722-8683) Email: votebymail2@countyofsb.org.

Requirements for First Time Federal Voters

Any person voting for the first time who registers by mail and does not provide their California driver's license, California identification number, or last four digits of their Social Security number, will be asked to show a form of identification when they go to the polls, or must provide a copy of that identification with their Vote by Mail ballot. First Time Federal Voters who fail to provide identification when voting, may result in their ballot not being counted. There are 30 forms of identification that can be used for this purpose under the Help America Vote Act of 2002, including a government issued check or a utility bill that includes the person's name and address.

For a full list of the forms of identification that can be used, visit the Secretary of State's website at: sos.ca.gov/elections/hava-id-standards

Language Assistance/Asistencia con el idioma

In this year's elections, some polling places will have translated sample ballots that voters can use as a reference when voting. The polling places that will have them are determined by the Secretary of State. To find out if your polling place will have a translated sample ballot, or to request to have one sent to you before Election Day, please visit our website or call our office. Requests must be received no later than 7 days before Election Day.

If you need assistance when voting, you may bring up to two people with you to your polling place, as long as they are not representatives of your employer or your union. Bring a family member or friend!

Spanish/Español

En las elecciones de este año, algunos lugares de votación contarán con modelos de boletas traducidas que los votantes pueden usar como referencia al votar. La Secretaría de Estado determinó qué lugares de votación contarán con estos modelos de boletas. Para saber si su lugar de votación contará con una boleta modelo traducida, o para solicitar que le envíen una antes del Día de Elecciones, por favor, visite nuestro sitio de internet o llame a nuestra oficina. Las solicitudes se deben recibir antes de los 7 días previos al Día de Elecciones.

Si necesita ayuda al votar, puede llevar hasta dos personas con usted a su lugar de votación, siempre que no sean representantes de su empleador o sindicato. ¡Lleve a un familiar o amigo!

State Legislative Candidates – Voluntary Spending Limits

California law includes voluntary spending limits for candidates running for state offices who choose to keep their campaign expenses under specified dollar amounts. Candidates for state legislative offices who agree to the voluntary spending limit are able to purchase space for a candidate statement to be printed in this voter guide. Some candidates, however, chose not to buy space for a statement.

The following state legislative candidates have agreed to abide by the voluntary spending limits.

Office	Candidate's Name	Candidate's Statement of Qualifications Included
State Senator, District 21	S. Monique Limón	Yes
State Senator, District 21	Elijah Mack	No
Member of the State Assembly, District 37	Sari M. Domingues	Yes

THE FOLLOWING PAGES CONTAIN CANDIDATE'S STATEMENT OF QUALIFICATIONS

Candidates have the option to prepare and pay for a Candidate's Statement of Qualifications (candidate statement) to be printed in this voter guide.

Candidate statements are printed exactly as submitted, including errors.

Candidate statements are arranged by candidate's last name in a random alphabet order. The random alphabet used depends on the contest, following either the randomized alphabet drawing conducted by the Secretary of State's office or the County Elections Division.

The following pages may or may not represent a complete list of candidates. For a complete list of candidates on your ballot, please see the Sample Ballot pages of this guide.

**STATEMENT OF CANDIDATE FOR
State Senator
District 21**

S. MONIQUE LIMÓN

Occupation: California State Senator

Education and Qualifications: As a lifelong resident of the Central Coast, I'm honored to represent Santa Barbara County in the State Senate.

I have a proven record of working to improve our schools, protect our environment, expand job training, advance women's health care, protect consumers, combat the high cost of living, and bring resources to our area to prevent and fight wildfires. That's why I am proud to be supported by a broad range of community leaders including teachers, nurses, and firefighters.

Since being elected, I've worked to tackle climate change, protect consumer privacy, improve mental health care and long-term strategies to prevent homelessness, improve access to quality healthcare including aging and Alzheimer's, and help safeguard human trafficking survivors. Access to healthcare continues to be a priority for our community and I have worked with a coalition to protect and improve it. I earned a 100% voting record with Health Access California.

I've worked to protect our air, water and coastline, and earned a 100% rating from the Sierra Club and California Environmental Voters.

In response to the Supreme Court's overruling of Roe v. Wade, I co-authored Proposition 1, which passed overwhelmingly by the voters of California, to enshrine the right to choose for women in our State Constitution.

These challenging times require effective leadership and the integrity to stand up for the people of the Tri-Counties. I believe my record reflects both.

I would be honored to earn your vote for my re-election to the State Senate. Thank you for your consideration.

**STATEMENT OF CANDIDATE FOR
State Assembly
District 37**

SARI M DOMINGUES

Occupation: Retired

Education and Qualifications: I'm Sari M Domingues, and I'm honored to be your candidate for California State Assembly District 37. Growing up in this community, I've witnessed California's potential firsthand and have experienced it's decline. It is time to stop the decline and bring California back to the strong, vibrant state we all love. With 30 years of extensive experience in public service, I had to problem solve, project manage, be detail oriented and a critical thinker. I worked with all levels of employees including front-line staff, subject matter experts, technical staff, and administration. My work experience taught me valuable lessons on collaboration and has given me strength dealing with adversity. I have earned a master degree in Organizational Leadership based on Servant Leadership. My dedication to the principles of Servant Leadership, and love for my community make me the candidate capable of bringing positive change to District 37 and the State as a whole. With your support, I'll work tirelessly to revitalize our local economy, promote job growth, strengthen our schools, and create safe and flourishing communities. Together, we can create a brighter future for District 37 and California. Please vote Sari M Domingues for California State Assembly District 37.

MEASURE L2024
COLLEGE SCHOOL DISTRICT**

This measure was placed on the ballot by the Board of Trustees of the College School District, which is the governing board of the School District.

If approved by 55% of the voters voting on the proposition, this measure authorizes the College School District (School District) to issue and sell bonds of up to \$18,000,000 in aggregate principal amount to provide financing for the specific types of school facilities projects listed in the School District's Bond Project List. The Bond Project List, as well as the full text of the measure, are printed in the voter information guide. None of the proceeds from the sale of bonds may be used for teacher or administrator salaries or operating expenses.

The bonds and interest thereon would be payable from the proceeds of property taxes levied on taxable property in the School District. These taxes would be in addition to the property taxes currently levied on taxpayers in the School District. The amount of the increased taxes each year would depend upon the amount needed to pay the principal and interest on the bonds. The School District's estimate of the final fiscal year in which the tax is anticipated to be collected is 2057-58.

The bond measure includes the following accountability requirements:

- A. A requirement that the proceeds from the bond sale be used only for the above purposes and not for any other purpose, including teacher and administrator salaries and other school operating expenses.
- B. A list of the specific school facilities projects to be funded and certification that the School District's Board has evaluated safety, class size reduction, and information technology needs in developing that list.
- C. A requirement that the School District's Board will conduct or cause to be conducted an annual, independent performance audit to ensure that the funds have been spent only on the school facilities projects listed in the Bond Project List.
- D. A requirement that the School District's Board will conduct or cause to be conducted an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List.
- E. If the measure is approved, the School District's Board will also establish an independent citizens' oversight committee to ensure bond proceeds are used only to fund the projects listed in the Bond Project List, as printed in the voter information guide.
- F. If the measure is approved, the School District's Board will establish an account in which proceeds of the sale of the bonds will be deposited. An annual report will be filed with the Board stating the amount of proceeds received and expended in the past fiscal year, and the status of any project funded or to be funded from bond proceeds.

**TAX RATE STATEMENT
MEASURE L2024
COLLEGE SCHOOL DISTRICT**

An election will be held within the boundaries of College School District ("School District") on November 5, 2024 to authorize the sale of up to \$18 million in bonds to finance facilities as described in the measure. If the bonds are approved, the School District expects to sell the bonds in multiple series. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property located within the School District. The following information is provided in compliance with Sections 9400 to 9404, inclusive, of the California Elections Code.

- The best estimate from official sources of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of the election, a projection based on experience within the same jurisdiction and other demonstrable factors, is estimated to be \$17.99 per \$100,000 of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2057-58.
- The best estimate from official sources of the highest tax rate that would be required to be levied to fund this bond issue, and an estimate of the year in which that rate will apply, based on assessed valuations available at the time of filing this statement, a projection based on experience within the same jurisdiction and other demonstrable factors, is estimated to be \$19.00 per \$100,000 of assessed valuation first occurring in fiscal year 2025-26.
- The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$36.9 million.

Voters should note that the estimated tax rate is based on the ASSESSED VALUE of taxable property on the Santa Barbara County official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the School District's projections and estimates only, which are not binding upon the School District. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the School District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessors in the annual assessment and the equalization process.

**ARGUMENT IN FAVOR OF
MEASURE L2024
COLLEGE SCHOOL DISTRICT**

Our schools are some of the most important assets in our community and should be our number one priority. High-quality schools increase student achievement, improve property values, prepare children for a productive future, and create greater neighborhood safety. Although our teachers and staff do a great job educating local children, classrooms and buildings are deteriorating and need to be upgraded to provide students with the proper school facilities they need to succeed.

While our facilities have been well maintained, aging classrooms and facilities must be upgraded. We can achieve this by voting **YES on Measure L**, as this school improvement measure would allow the District to improve the quality of its school facilities and education provided to local students. By investing in our schools, we can meet today's safety, technological, and educational standards as well as better our community.

Measure L will provide funding to make critical classroom and facility improvements at the District's three schools by:

- Repairing or replacing leaky roofs
- Replacing aging portables with permanent classrooms
- Upgrading inadequate electrical systems
- Modernizing outdated classrooms, restrooms, and school facilities
- Replacing deteriorating plumbing systems

Measure L makes financial sense and protects taxpayers.

- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- All bond funds must be spent locally and **cannot be taken by the State.**
- Funds are required to be spent only on schools, not for administrator or teacher salaries.

Measure L upgrades and renovates classrooms, restrooms, and other school facilities, improves the education of local children, and maintains the quality of our community. Please join teachers, parents, businesses, civic leaders, and residents throughout our community, **VOTE YES ON MEASURE L** to ensure healthy, safe, modern schools for years to come!

MEASURE L2024
COLLEGE SCHOOL DISTRICT**

**COLLEGE SCHOOL DISTRICT
FACILITIES AND EDUCATIONAL ENHANCEMENT BOND MEASURE**

By approval of this measure by at least fifty-five percent (55%) of the registered voters voting thereon, the College School District ("District") shall be authorized to issue and sell bonds of up to \$18 million in aggregate principal amount to provide financing for the specific school facilities projects listed below in the Bond Project List, subject to all of the accountability safeguards specified herein.

SECTION I: KEY FINDINGS

- The Board of Trustees of the District believes that a high-quality education is the fundamental right of every student, and seeks to provide a 21st century education in a safe and engaging learning environment for all students;
- Some District schools and buildings are over 50 years old, and many of schools need repairs and improvements to meet modern educational standards;
- The District must repair, construct, acquire or equip classrooms, sites, and facilities to make them safe and help ensure that all students have equal access to 21st century classrooms, labs and school facilities;
- Classrooms and educational facilities require updates for improved student learning in subjects like reading and science, technology, engineering, arts and math (STEAM) to accommodate 21st century learning methods and support hand-on instruction and learning by doing;
- The Board believes it is a wise investment to protect the quality of our schools, the quality of life in our community and the value of our homes;
- The District has reviewed its facilities needs and aligned them to the District's educational goals;
- Because State funding is limited, passing this bond measure provides a guaranteed source of local funding to maintain and improve this community's local school facilities;
- This bond measure will benefit local schools, funding will be controlled locally, no funds can be taken away by the State or other school districts, and by law, no money can be used for administrator salaries or pensions;
- This bond measure requires strict fiscal accountability protections including mandatory annual audits and an independent citizens' oversight committee to ensure funds are managed and spent properly.

SECTION II: ACCOUNTABILITY MEASURES

The provisions in this section are included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Section 15264 *et seq.* of the California Education Code).

Evaluation of Needs. The Board of Trustees has evaluated the facilities needs of the District and has identified projects to finance from a local bond measure at this time. The Board of Trustees hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Independent Citizens' Oversight Committee. The Board of Trustees shall establish an independent Citizens' Oversight Committee in accordance with Education Code sections 15278-15282 and applicable Board policy, to ensure bond proceeds are expended only for the school

facilities projects listed in the Bond Project List. The committee shall be established within sixty (60) days of the date when the Board of Trustees enters the results of the election in its official minutes.

Annual Performance Audit. The Board of Trustees shall conduct or cause to be conducted an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List.

Annual Financial Audit. The Board of Trustees shall conduct or cause to be conducted an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects described in the Bond Project List.

Annual Report to Board. Upon approval of this measure and the sale of any bonds approved, the Board of Trustees shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent shall cause a report to be filed with the Board of Trustees no later than January 1 of each year, commencing on the first January 1 after bonds have been issued and proceeds spent, stating (1) the amount of bond proceeds received and expended in the past fiscal year, and (2) the status of any project funded or to be funded from bond proceeds. The report may be incorporated into the annual budget, annual financial report, or other appropriate routine report to the Board.

SECTION III: BOND PROJECT LIST

This Bond Project List, which is an integral part of this proposition, describes the specific projects the District proposes to finance with proceeds of the bonds. All information contained within this "Section III: Bond Project List" comprises the list and description of permissible projects and expenses that may be paid from bond proceeds.

In order to meet all identified facility needs, the District intends to complete projects using a combination of funding sources, including joint use funds or contributions, development impact fees, and state funding (if available). The District will pursue state matching funds if and when they become available, and if received, they will be used for and mainly applied to projects on the Bond Project List or other high priority capital outlay expenditures as permitted in Education Code section 17070.63(c). While no specific project is dependent on the receipt of state funding for completion, approval of this measure does not guarantee that all projects on this Bond Project List at all listed sites will be funded beyond the local revenues generated by this measure. The District's proposal for the projects assumes the receipt of some state matching funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, replacement, furnishing and equipping of school facilities, and the acquisition or lease of real property for school facilities, all as listed on the Bond Project List. All projects to be financed with bonds authorized by this measure listed on the Bond Project List have been determined by the District to be "school facilities" as that term is used in the California Constitution. "School facilities" include projects at school sites as well as administrative and teacher/staff support facilities which are necessary for, and related to, the delivery of high-quality education services.

Projects listed below may be completed at any and all school sites and facilities where such project is determined necessary, and projects are authorized to be performed at each and all of the District's schools, campuses and buildings, including without limitation:

- *Santa Ynez Elementary School*
- *College Elementary School* (including school district administrative offices and Santa Ynez Valley Charter School campus)

Specific projects to be funded by the bond measure include, without limitation, the following:

I. SCHOOL UPGRADES AND REPAIRS TO KEEP EDUCATIONAL FACILITIES SAFE, CLEAN AND IN GOOD CONDITION

- Replace old, outdated, and inefficient electrical, plumbing, heating, air-conditioning, lighting and ventilation systems
- Repair or replace deteriorating roofs
- Remove hazardous materials like asbestos and lead pipes where needed
- Upgrade older schools and buildings to meet current health codes and building safety codes, and improve safety, accessibility and paths of travel for Americans with Disability Act compliance and disabled student access
- Update playgrounds, sports fields, athletic facilities, courts and asphalt surfacing
- Install fencing, gates, barriers and signage to improve controlled access to schools
- Renovate school points of entry to improve campus security
- Upgrade, replace or install communications systems, including intercom, emergency communications and/or master clock systems

- Upgrade fire alarms
- Install door and window hardware, locks and/or safety treatments
- Install exterior security cameras

• **EDUCATIONAL TECHNOLOGY AND FACILITY UPGRADES FOR 21ST CENTURY LEARNING**

- Renovate, reconfigure, reconstruct or replace aging classrooms, offices, buildings, labs and learning spaces with educational and functional, flexible spaces, learning studios and maker spaces to accommodate 21st century learning methods and support hand-on instruction and learning by doing
- Construct, furnish and equip modern flexible classrooms and labs needed to support high quality instruction in science, technology, engineering arts and math (STEAM)
- Acquire, upgrade and repair technology and communication infrastructure including, without limitation, cabling and wireless infrastructure, network hardware and software, and other shared access equipment such as digital whiteboards, document cameras, projectors, and printers
- Acquire and upgrade software, computers, and other classroom instructional equipment
- Renovate multipurpose rooms and construct classrooms and facilities needed to support high quality instruction in music, visual and performing arts.
- Replace aging portable classrooms with modern permanent classrooms and buildings where needed; replace portable restrooms
- Construct new classrooms for transitional kindergarten and kindergarten programs
- Acquire and install energy efficiency systems to reduce energy/utility costs
- Repair, rebuild, equip and furnish school sites in the event of unforeseen emergencies or to house charter schools in reasonably equivalent facilities in accordance with legal requirements
- Pay down capital leases or other lease-based debt obligations to free up general funds to support educational program needs

Listed projects, repairs, improvements, rehabilitation projects and upgrades will be completed only as needed, and the listing of projects does not imply a particular prioritization among such improvements. Projects may be done in phases, based on Board of Trustees priorities. Listed projects may be completed at any and all District schools, sites, properties (owned or leased) and education buildings where such project is determined necessary. Decisions regarding the scope, timing, prioritization or other facets of project implementation will be made solely by the Board of Trustees by subsequent action. Where terms such as "renovate," "upgrade," "repurpose" and "improve" are used in the Bond Project List, the Board of Trustees has the discretion to determine the best method for accomplishing the project's objective. For any listed project involving renovation or modernization of a building or the major portion of a building, the District may proceed with new replacement construction instead (including any necessary demolition), if the District determines that replacement and new construction is more practical than renovation, considering the building's age, condition, expected remaining life, comparative cost and other relevant factors. In addition, where feasible, projects may be completed in partnership with other agencies on a joint use basis using bond proceeds. Property, buildings and equipment on the bond project list may be acquired through lease, sale, lease-purchase, lease-leaseback or other project delivery or acquisition methods determined appropriate by the Board.

Each project is assumed to include its share of costs of bond issuance, architectural, engineering, legal and similar planning costs, construction management, bond project staff and consultants, staff development and training expenses associated with learning construction techniques and approaches and new bond-funded equipment and systems, and a customary contingency for unforeseen design and construction costs. Payment of the costs of preparation of facilities planning and project implementation studies, feasibility and assessment reviews, master planning, environmental studies, permit and inspection fees, Division of State Architect (DSA) and/or Title 24 building code requirements, studies and assessments, including ADA and seismic, and temporary housing and relocation costs for dislocated programs or activities caused or necessitated by projects on the Bond Project List are permissible bond expenditures.

The final cost of each project will be determined as plans are finalized and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Necessary site preparation, grading or restoration may occur in connection with acquisition of property, new construction, modernization, renovation or remodeling, or installation or removal of modular classrooms, including ingress and egress, removing, replacing or installing irrigation, utility lines, trees and landscaping, relocating fire access roads and acquiring any necessary easements, leases, licenses or rights of way to property.

SECTION IV: ADDITIONAL SPECIFICATIONS

No Operating Expenses. Proceeds from the sale of Bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation or replacement of school facilities on the Bond Project List, including the furnishing and equipping of said school

facilities, or the acquisition or lease of real property for said school facilities, and not for any other purpose, including teacher or administrator salaries and other school operating expenses in accordance with applicable law.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Section 15100 of the California Education Code, and all the enumerated purposes shall constitute the specific single purpose of the bonds and proceeds of the bonds shall be spent only for such purpose.

Other Terms of the Bonds. The bonds may be issued and sold in several series, and in accordance with a financing plan determined by the Board of Trustees pursuant to requirements of law. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum and with a maximum term not exceeding the statutory maximum, provided that the average useful life of bonds sold will not exceed one hundred twenty percent (120%) of the average life of the projects being financed or as otherwise provided by federal tax law. Bond funds may be used to reimburse the District for Bond Project list expenditures incurred prior to the election and bond issuance, in accordance with federal tax law.

Attention of all voters is directed to the fact that the financial information contained in this measure is based upon the District's projections and estimates only, which are not binding upon the District, nor are the summary estimates, if any, provided in the Ballot Label. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessors in the annual assessment and the equalization process.

In preparing this information, the District obtained reasonable and informed projections of assessed property valuations that took into consideration projections of assessed property valuations made by the County Assessor, if any, in accordance with Education Code Section 15100(c).

STATE MATCHING FUNDS

Approval of Measure L2024 does not guarantee that the proposed project or projects in the College School District that are the subject of bonds under Measure L2024 will be funded beyond the local revenues generated by Measure L2024. The school district's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

**IMPARTIAL ANALYSIS BY
COUNTY COUNSEL
MEASURE H2024
COUNTY OF SANTA BARBARA**

This measure was placed on the ballot by the Board of Supervisors of the County of Santa Barbara in order to increase the transient occupancy tax (commonly referred to as the "Hotel Tax") rate from 12% to 14%. Although the County tax is collected only in the unincorporated areas of the County, the law requires that there be a countywide vote on the question of increasing the tax rate to 14%.

This measure passes if approved by a majority of voters voting thereon.

The California Constitution and the Government Code authorize the County, upon a majority vote, to levy a general tax. The Revenue and Taxation Code authorizes the County to levy a tax on the privilege of occupying a room or rooms, or other living space, in a hotel, inn, tourist home or house, motel, or other lodging for 30 days or less in the unincorporated areas of the County.

The transient occupancy tax is a general tax. Revenues from the transient occupancy tax go into the County's general fund and may be used for general governmental purposes, without restriction.

The transient occupancy tax rate is currently at 12%. This measure would authorize the increase of the transient occupancy tax rate to 14%. According to the Ordinance, the increased tax rate of 14% would take effect beginning January 1, 2025. If the measure does not pass, the transient occupancy tax rate would remain at 12%.

**SUMMARY OF IMPARTIAL ANALYSIS BY
COUNTY COUNSEL
MEASURE H2024
COUNTY OF SANTA BARBARA**

A YES vote on this measure means:

A majority "yes" vote means that the County of Santa Barbara's Transient Occupancy Tax (Hotel Tax) rate will increase to 14%.

A NO vote on this measure means:

A majority "no" vote means that the Hotel Tax rate will remain at 12%.

**FISCAL IMPACT STATEMENT BY
COUNTY AUDITOR-CONTROLLER
MEASURE H2024
COUNTY OF SANTA BARBARA**

Summary

This measure would increase County revenues by increasing the existing County of Santa Barbara unincorporated area Transient Occupancy Tax rate from 12% to 14% of the daily rent paid for lodging. The current transient occupancy tax rate of 12% generated \$17,746,000 in fiscal year 2023-24 for the County. If this measure is approved, the tax rate would increase to 14% and is estimated to generate an additional \$3.0 million annually. The total of the tax collected changes on an annual basis as a result of increases or decreases in lodging rates and lodging occupancy.

Revenue generated by the transient occupancy tax is considered general revenue for the County General Fund. This tax source is a significant discretionary General Fund tax source. This revenue is expended on general County government services and capital needs for public safety, law and justice, health services, public assistance, community resources, public facilities, administrative, and other general government purposes.

Background

Local governments were first granted the power to tax the privilege of occupying a room or living space in a hotel, motel, inn, short-term rentals, and other lodging establishments when rented for 30 days or less, in 1963. The Transient Occupancy Tax (also commonly referred to as TOT or hotel bed tax) is collected by the lodging provider in the unincorporated area of the County then remitted to the County Treasurer-Tax Collector for deposit as general revenue to the County.

**ARGUMENT IN FAVOR OF
MEASURE H2024
COUNTY OF SANTA BARBARA**

Protect our quality of life for local residents -- vote **YES on H** to update Santa Barbara County's Tourist Tax. Your YES on H vote generates money for the core services you expect and deserve: improving 911 response services, fixing potholes, repairing roads damaged during winter storms, and upgrading aging and deteriorating bridges. Funding is needed to carry out more local flood control projects and clean out storm drains to prevent mudslides and protect homes.

YES on H generates \$3,000,000 annually to maintain these services -- and is 100% paid for by tourists and lodging guests visiting unincorporated Santa Barbara County communities. Vote YES on H to ensure tourists pay their fair share of the services they use when visiting our amazing region.

YES on H:

- Protects groundwater supplies.
- Maintains 911 emergency, wildfire, and disaster response services.
- Addresses homelessness.
- Repairs deteriorating bridges, roads, and other transportation infrastructure.

All funds generated by **YES on H** are subject to the County's strict accountability provisions, ensuring public transparency on how funds are spent. This includes online budget and expenditure reports and annual independent audits available for public review.

State and federal governments can't take a dime of the money generated by Measure H. By law, all funds raised are controlled locally and will be used to maintain the services so many families need. Join First Responders, small business owners, and residents from every corner of our amazing county.

Protect the region we all love, without raising your taxes -- vote **YES on H!**

**REBUTTAL TO ARGUMENT IN FAVOR OF
MEASURE H2024
COUNTY OF SANTA BARBARA**

VOTE NO ON MEASURE H: WE DON'T NEED HIGHER TAXES

Just months ago, Santa Barbara County Supervisors passed the largest budget in county history -- \$1.59 BILLION. This record-high county budget represented a 7.3% increase from the previous year, but now we're being told we need Measure H to raise taxes by another \$3 million a year.

MEASURE H IS A BAIT AND SWITCH TRICK

The truth is politicians often will promise one thing then do another. Measure H says the taxes will go towards things that are popular with voters like public safety, roads, and addressing homelessness, but Measure H contains a giant loophole that allows politicians to spend the money on anything they want, including administrative costs, outside consultants, pay raises, and pensions.

MEASURE H GIVES POLITICIANS A \$3 MILLION BLANK CHECK

The politicians say Measure H is for "essential" community services, but because it was put on the ballot as a General Tax, the funds won't be dedicated to addressing a specific problem and there are NO guarantees on how our tax money will be spent. Measure H gives politicians a blank check with no accountability.

MEASURE H IS FLAWED

Measure H's higher taxes will hurt small and family-owned businesses. If we're going to raise taxes, we need *real protections* ensuring our tax dollars will go where promised and not end up diverted to the General Fund, where the money can be used for other purposes.

We need better accountability from politicians, not just higher taxes. Vote NO on Measure H.

**ARGUMENT AGAINST
MEASURE H2024
COUNTY OF SANTA BARBARA**

Supervisors Are Wasting Tax Dollars; Don't Give Them More of Your Hard-Earned Money!

The county makes no specific promises as to how they will spend this \$3 million tax and that should tell you something! The *real reason* county supervisors want to raise taxes is because they refuse to reduce the size and cost of their workforce of 4,763 employees. That is, the odds are the money from this tax will be used for out-of-control county employee salaries and benefits which cost \$824 million per year and average \$170,000 per employee which is twice as much as what most residents earn.

The supervisors' misplaced priorities include a \$400 million deficit in maintaining our roads and infrastructure and a plan to reduce the capacity of the jail to hold criminals. They wasted \$250 million on a "trash digester" that doesn't work. Millions more were squandered when the county was convicted of a felony for an oil spill for which they were responsible, not to mention their attempt to steal a contract for ambulance services which encouraged a judge to slap them with a preliminary injunction! County supervisors also burned through \$100 million in extra (COVID) money from the state and federal government and they have little to show for it.

Supervisors haven't laid off any workers in years, instead, they have been cutting services and raising fees for services to residents! Why is that? The sad truth is that our county government's top priority is to serve its employees, not the public, at taxpayer expense! More than one half of their \$1.6 billion budget goes into the pockets of county employees. Please don't vote for higher taxes until county supervisors tighten their own belt as working families have had to do. Vote NO on Measure H2024.

**REBUTTAL TO ARGUMENT AGAINST
MEASURE H2024
COUNTY OF SANTA BARBARA**

Opponents of Measure H claim it will impact your money, but that is completely false. Measure H is funded solely by tourists staying in 24 hotels outside of our cities - (local residents will not face any tax increase.) Here's why Measure H is a smart choice:

- Transparent:** Measure H clearly identifies priorities for County expenditures, such as:
 - Enhance Emergency Services:** Improve response times and capabilities for better safety.
 - Repair Roads:** Fix damage from recent storms to ensure safe transportation.
 - Address Homelessness:** Invest in effective programs to manage and reduce homelessness.
 - Flooding Protection:** Prevent flooding by cleaning storm drains (protecting homes and businesses).
- Tourist-Funded, (Not Resident-Funded):** We live in one of the most desirable places to visit in the world. Measure H ensures these visitors contribute a small additional amount to support the parks, roads and services they enjoy, instead of burdening local residents.
- Local Control and Economic Benefits:** Measure H funds will be managed locally, ensuring they directly benefit our community rather than being redirected by state or federal agencies. This investment supports local businesses, enhances public safety, and boosts our economy.
- Comprehensive Accountability:** Measure H guarantees transparency through public budget hearings and independent audits (ensuring funds are used efficiently.)

By voting YES on Measure H, you support a responsible solution for maintaining and improving essential services (*without increasing taxes for local residents*). This measure is a practical step to keep our infrastructure strong and our county thriving. **Vote YES on H!**

BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA

ORDINANCE AMENDING SECTION 32-12 OF THE SANTA BARBARA COUNTY CODE
TO INCREASE THE TRANSIENT OCCUPANCY TAX RATE TO
FOURTEEN PERCENT (14%)

THE BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA ORDAINS AS FOLLOWS:

SECTION I: VOTER APPROVAL OF AMENDMENT TO SANTA BARBARA COUNTY CODE SECTION 32-12. Section 32-12 of the Santa Barbara County Code is hereby set forth for voter approval to read as follows:

Sec. 32-12. Transient Occupancy Tax

For the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of fourteen percent (14%) of the rent charged by the operator. Such tax constitutes a debt owed by the transient to the County which is extinguished only by payment to the operator or to the County. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax is not paid to the operator of the hotel, the County Tax Collector may require that such tax shall be paid directly to the County Tax Collector. The tax rate of fourteen percent (14%) shall take effect beginning January 1, 2025. In the interim period between the November 5, 2024 election and January 1, 2025, for the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of twelve percent (12%) of the rent charged by the operator.

SECTION II: NATURE OF TAX. If approved by a majority of the electorate voting on the measure, the ordinance will increase the current transient occupancy tax rate to fourteen percent (14%) of rent charged. The transient occupancy tax is a tax imposed upon transients for the privilege of occupying defined hotels located within the unincorporated territory of Santa Barbara County. The tax would be collected by hotel operators in the same manner as the current transient occupancy tax is collected. The collection of the tax from hotel operators would be administered by the Santa Barbara County Tax Collector as provided in Chapter 32, Article II of the Santa Barbara County Code.

SECTION III: GENERAL TAX. The transient occupancy tax imposed by this ordinance is a general tax within the meaning of Government Code Section 53721 and Article XIII C, Section 1 (a) of the California Constitution. The revenue generated by this general tax is available for general government use and purposes. To that end, the Auditor- Controller is instructed to deposit the revenue from the tax into the County General Fund. The County shall include an estimate of the revenue from this general tax, together with the estimates of other revenue sources, in the tabulation that is annually required to be prepared by Government Code Section 29060. The revenue from this general tax shall be made available to the Board of Supervisors for annual appropriation in the County's budget for any lawful expenditure. Nothing in this ordinance nor in any other ordinance, advisory measure, resolution, or policy shall be construed as limiting, in any way, the amount or the objects of the appropriations and expenditures that can be made from the revenue of the tax nor be construed as creating a continuing appropriation. The tax will remain in effect unless and until repealed.

SECTION IV: EFFECT. Voter approval of this ordinance shall have the effect of increasing the transient occupancy tax.

SECTION V: COMPLIANCE WITH THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA). Pursuant to CEQA Guidelines Section 15378(b)(4), adoption of this tax increase ordinance as a government funding mechanism is not a project subject to the requirements of CEQA. Prior to commencement of any project that may result from the expenditure of revenues from this tax increase, any necessary environmental review required by CEQA shall be completed.

SECTION VI: SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION VII: ELECTION. An election shall be held on November 5, 2024, on the issue of increasing the current transient occupancy tax rate to fourteen percent (14%) of rent charged. If the measure is defeated, the transient occupancy tax will remain at the existing transient occupancy tax rate of twelve percent (12%) of rent charged.

SECTION VIII: EFFECTIVE DATE. This ordinance shall take effect immediately upon its adoption by a majority of the electorate voting on the ordinance at the November 5, 2024 general election.

TIME OFF FOR VOTING

DIVISION 14. ELECTION DAY PROCEDURES

CHAPTER 1. Privileges of Voters

14000.

(a) If a voter does not have sufficient time outside of working hours to vote at a statewide election, the voter may, without loss of pay, take off enough working time that, when added to the voting time available outside of working hours, will enable the voter to vote.

(b) No more than two hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift, whichever allows the most free time for voting and the least time off from the regular working shift, unless otherwise mutually agreed.

(c) If the employee on the third working day prior to the day of election, knows or has reason to believe that time off will be necessary to be able to vote on election day, the employee shall give the employer at least two working days' notice that time off for voting is desired, in accordance with this section.
