Election Materials in Other Formats. Audio CDs and large print versions of the information printed in this guide and the State Voter Information Guide are available upon request. To request an audio or large print copy of this guide, return the application located on the back of this guide, or contact the County Elections Division at 1-800-SBC-VOTE (1-800-722-8683).

Remote Accessible Vote by Mail (RAVBM) System. The RAVBM system allows a voter to independently download, mark, and print their ballot on their own computer using their personal assistive technology. A voter may use the return envelope that came with their Vote by Mail ballot packet or their own envelope to return their voted ballot and signed declaration.

RAVBM ballots can be returned in the same way as all other Vote by Mail ballots and have the same return deadline.

To request a RAVBM ballot, please email votebymail2@countyofsb.org or call 1-800-722-8683. For more information refer to the “Remote Accessible Vote by Mail” page in this guide or visit the “Remote Accessible Vote by Mail” webpage at sbcvote.com.

Curbside Voting. Curbside voting is available at all County Elections Division offices and polling places for voters unable to come into their designated voting location. To use curbside voting, voters can:

- Call 1-800-722-8683 in advance to request curbside voting at one of the County Elections Division offices or their polling place; or
- Follow the curbside voting signs to the designated parking space and call 1-800-722-8683 once they arrive at the polling place.

Accessible Voting System. All County Elections Division offices and polling places have at least one (1) ImageCast X® (ICX) ballot marking device with ballots available in English and Spanish. The ImageCast X® (ICX) ballot marking device provides:

- an audio option that reads the ballot in both languages through provided headphones;
- a universal plug for personal assistive technology; and
- large print and black/white contrast viewing options.

Other Aides Available Upon Request. Easy grip pens and magnifiers are available upon request at all County Elections Division offices and polling places.

Personal Assistance Marking Your Ballot. Voters have the right to get help casting their ballot from anyone they choose, except from their employer or union representative. Voters may bring up to two (2) people to their polling place to assist them while voting.

Remote Accessible Vote by Mail (RAVBM)

The RAVBM system gives voters the ability to read and mark their ballot privately and independently on their personal devices. Any active voter can request and receive access to the RAVBM system.

The RAVBM system allows you to:

- ✓ Mark your selections and review them prior to downloading and printing your voted ballot.
- ✓ Use your own assistive technology devices to read and mark your ballot.
- ✓ Select English or Spanish language.
- ✓ Change the screen contrast and font size for your ballot.

RAVBM is not “internet voting.” **You cannot submit your selections online. You must print and return your marked ballot by mail or in person.**

How to vote with RAVBM:

1. Request an RAVBM ballot access link. Submit your request:

- **Online:** Complete an electronic request online at sbcvote.com/RAVBM or when you review your voter information on My Voter Status webpage at voterstatus.sos.ca.gov, or
- **Via Email:** Email your request to votebymail2@countyofsb.org, or
- **By Phone:** Contact the County Elections Division at (805) 568-2200 or 1-800-722-8683.

RAVBM requests will be accepted through October 29, 2024.

2. Mark your ballot

Use the access link to open your ballot. Mark the ballot on your own computer, with your own assistive technology, if needed.

3. Review and print your ballot

Review your ballot choices and make any corrections. Download and print your ballot.

4. Seal and sign your ballot return envelope

Place your RAVBM ballot in the identification return envelope you received in the mail with your official ballot. Only vote and return one ballot, either the one mailed to you or the RAVBM ballot. It is a crime to vote twice. Sign the voter’s declaration (punched holes tell you where to sign). Seal the envelope. If you misplaced the official return envelope, please email votebymail2@countyofsb.org or call 1-800-722-8683 to request a new envelope.

5. Return your ballot:

 By mail. Must be **postmarked** by Election Day, November 5, 2024, and received in our office by **November 12, 2024**.

 At any official ballot drop box in California. Ballots must be received by 8:00 p.m. Pacific Standard Time on Election Day, November 5, 2024.

 At any in-person voting location or any county elections office in California. Ballots must be received by 8:00 p.m. Pacific Standard Time on Election Day, November 5, 2024.

How to Vote at the Polls

Find your polling place on the back cover of this guide, visit our *Upcoming Elections & Events* webpage at **sbcvote.com**, or call the County of Santa Barbara Elections Division at 1-800-SBC-VOTE (1-800-722-8683). If no polling place is assigned, this means your registered address is in a mail ballot precinct.

Look near the wheelchair symbol on the back cover of this guide to determine if your polling place is accessible to voters with specific needs. Curbside voting is also available at all County Elections Division offices and polling places.

What do I do to vote at my Polling Place?

- Take the Vote by Mail ballot you received in the mail to your polling place and give it to the Check-In Clerk.
- Provide your name and address to the Check-In Clerk and let them know if you will need assistance marking your ballot.
- Verify your information and sign on the Electronic Poll Book Tablet. You will receive a ballot issue ticket.
- Take your ballot issue ticket to the Ballot Issue Clerk to get your ballot. Please make sure your ballot matches the Sample Ballot in this guide.
- Vote your ballot at one of the voting booths.
- Deposit your voted ballot into the ballot bag.

What to do if...

You do not have your Vote by Mail ballot to turn in to the Check-In Clerk and want to vote at your polling place:

- If the Check-In Clerk can confirm that you have not voted in the election, then you may be issued a poll ballot to vote. If the Check-In Clerk is unable to confirm that you have not already voted in the election, you will be issued a Provisional Ballot to vote. Your Provisional Ballot will be counted once it is confirmed you have not already voted in the election.

You changed your name and did not re-register:

- Let the Check-In Clerk know. They will give you a new voter registration card to complete.
- You will need to sign your new and old name on the Electronic Poll Book Tablet.

You are at the wrong polling place or you are listed at a different address:

- If you have a new address, the Check-In Clerk will give you a form to complete to update your address.
- If you are at the wrong polling place, you have the following options:
 - Go to your correct polling place; or
 - Vote using an ImageCast® X (ICX) ballot marking device for your precinct's ballot; or
 - Vote a Provisional Ballot from the available poll ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up to two (2) people to assist you with marking your ballot.
 - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. An Election Officer is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.

**STATEMENT OF CANDIDATE FOR
State Senator
District 21**

S. MONIQUE LIMÓN

Occupation: California State Senator

Education and Qualifications: As a lifelong resident of the Central Coast, I'm honored to represent Santa Barbara County in the State Senate.

I have a proven record of working to improve our schools, protect our environment, expand job training, advance women's health care, protect consumers, combat the high cost of living, and bring resources to our area to prevent and fight wildfires. That's why I am proud to be supported by a broad range of community leaders including teachers, nurses, and firefighters.

Since being elected, I've worked to tackle climate change, protect consumer privacy, improve mental health care and long-term strategies to prevent homelessness, improve access to quality healthcare including aging and Alzheimer's, and help safeguard human trafficking survivors. Access to healthcare continues to be a priority for our community and I have worked with a coalition to protect and improve it. I earned a 100% voting record with Health Access California.

I've worked to protect our air, water and coastline, and earned a 100% rating from the Sierra Club and California Environmental Voters.

In response to the Supreme Court's overruling of Roe v. Wade, I co-authored Proposition 1, which passed overwhelmingly by the voters of California, to enshrine the right to choose for women in our State Constitution.

These challenging times require effective leadership and the integrity to stand up for the people of the Tri-Counties. I believe my record reflects both.

I would be honored to earn your vote for my re-election to the State Senate. Thank you for your consideration.

**STATEMENT OF CANDIDATE FOR
State Assembly
District 37**

SARI M DOMINGUES

Occupation: Retired

Education and Qualifications: I'm Sari M Domingues, and I'm honored to be your candidate for California State Assembly District 37. Growing up in this community, I've witnessed California's potential firsthand and have experienced it's decline. It is time to stop the decline and bring California back to the strong, vibrant state we all love. With 30 years of extensive experience in public service, I had to problem solve, project manage, be detail oriented and a critical thinker. I worked with all levels of employees including front-line staff, subject matter experts, technical staff, and administration. My work experience taught me valuable lessons on collaboration and has given me strength dealing with adversity. I have earned a master degree in Organizational Leadership based on Servant Leadership. My dedication to the principles of Servant Leadership, and love for my community make me the candidate capable of bringing positive change to District 37 and the State as a whole. With your support, I'll work tirelessly to revitalize our local economy, promote job growth, strengthen our schools, and create safe and flourishing communities. Together, we can create a brighter future for District 37 and California. Please vote Sari M Domingues for California State Assembly District 37.

**STATEMENT OF CANDIDATE FOR
Governing Board Member, Trustee Area 5
Santa Ynez Valley Union High School District**

CHRIS JOHNSON

Occupation: Incumbent Board President/Businessman

Education and Qualifications: As the current President of the Santa Ynez Valley Union High School District Board, I was honored to be elected to this position by the board in December 2022. In my tenure, I've completed the Masters in Governance program through the CSBA, which has equipped me with the tools to be an effective advocate for our students.

My experience as a business owner and former football coach has reinforced my commitment to teamwork, leadership, and community. These principles have guided me in collaborating with educators, administrators, and fellow board members to navigate challenging issues with positive outcomes. Together, we revised our Mission and Vision statement, set a 3-5 year plan to reverse deficit spending, and addressed administrative turnover by restructuring and hiring a combined Superintendent/Principal to strengthen leadership and save the district money.

I am dedicated to ensuring that every student receives a high-quality education, regardless of their future goals. With your support, I will continue to serve our district with compassion and focus, helping to prepare our students to be productive members of society. I humbly ask for your vote on November 5th

**IMPARTIAL ANALYSIS BY
COUNTY COUNSEL
MEASURE H2024
COUNTY OF SANTA BARBARA**

This measure was placed on the ballot by the Board of Supervisors of the County of Santa Barbara in order to increase the transient occupancy tax (commonly referred to as the "Hotel Tax") rate from 12% to 14%. Although the County tax is collected only in the unincorporated areas of the County, the law requires that there be a countywide vote on the question of increasing the tax rate to 14%.

This measure passes if approved by a majority of voters voting thereon.

The California Constitution and the Government Code authorize the County, upon a majority vote, to levy a general tax. The Revenue and Taxation Code authorizes the County to levy a tax on the privilege of occupying a room or rooms, or other living space, in a hotel, inn, tourist home or house, motel, or other lodging for 30 days or less in the unincorporated areas of the County.

The transient occupancy tax is a general tax. Revenues from the transient occupancy tax go into the County's general fund and may be used for general governmental purposes, without restriction.

The transient occupancy tax rate is currently at 12%. This measure would authorize the increase of the transient occupancy tax rate to 14%. According to the Ordinance, the increased tax rate of 14% would take effect beginning January 1, 2025. If the measure does not pass, the transient occupancy tax rate would remain at 12%.

**FISCAL IMPACT STATEMENT BY
COUNTY AUDITOR-CONTROLLER
MEASURE H2024
COUNTY OF SANTA BARBARA**

Summary

This measure would increase County revenues by increasing the existing County of Santa Barbara unincorporated area Transient Occupancy Tax rate from 12% to 14% of the daily rent paid for lodging. The current transient occupancy tax rate of 12% generated \$17,746,000 in fiscal year 2023-24 for the County. If this measure is approved, the tax rate would increase to 14% and is estimated to generate an additional \$3.0 million annually. The total of the tax collected changes on an annual basis as a result of increases or decreases in lodging rates and lodging occupancy.

Revenue generated by the transient occupancy tax is considered general revenue for the County General Fund. This tax source is a significant discretionary General Fund tax source. This revenue is expended on general County government services and capital needs for public safety, law and justice, health services, public assistance, community resources, public facilities, administrative, and other general government purposes.

Background

Local governments were first granted the power to tax the privilege of occupying a room or living space in a hotel, motel, inn, short-term rentals, and other lodging establishments when rented for 30 days or less, in 1963. The Transient Occupancy Tax (also commonly referred to as TOT or hotel bed tax) is collected by the lodging provider in the unincorporated area of the County then remitted to the County Treasurer-Tax Collector for deposit as general revenue to the County.

**ARGUMENT IN FAVOR OF
MEASURE H2024
COUNTY OF SANTA BARBARA**

Protect our quality of life for local residents -- vote **YES on H** to update Santa Barbara County's Tourist Tax. Your YES on H vote generates money for the core services you expect and deserve: improving 911 response services, fixing potholes, repairing roads damaged during winter storms, and upgrading aging and deteriorating bridges. Funding is needed to carry out more local flood control projects and clean out storm drains to prevent mudslides and protect homes.

YES on H generates \$3,000,000 annually to maintain these services -- and is 100% paid for by tourists and lodging guests visiting unincorporated Santa Barbara County communities. Vote YES on H to ensure tourists pay their fair share of the services they use when visiting our amazing region.

YES on H:

- Protects groundwater supplies.
- Maintains 911 emergency, wildfire, and disaster response services.
- Addresses homelessness.
- Repairs deteriorating bridges, roads, and other transportation infrastructure.

All funds generated by **YES on H** are subject to the County's strict accountability provisions, ensuring public transparency on how funds are spent. This includes online budget and expenditure reports and annual independent audits available for public review.

State and federal governments can't take a dime of the money generated by Measure H. By law, all funds raised are controlled locally and will be used to maintain the services so many families need. Join First Responders, small business owners, and residents from every corner of our amazing county.

Protect the region we all love, without raising your taxes -- vote **YES on H!**

**REBUTTAL TO ARGUMENT IN FAVOR OF
MEASURE H2024
COUNTY OF SANTA BARBARA**

VOTE NO ON MEASURE H: WE DON'T NEED HIGHER TAXES

Just months ago, Santa Barbara County Supervisors passed the largest budget in county history -- \$1.59 BILLION. This record-high county budget represented a 7.3% increase from the previous year, but now we're being told we need Measure H to raise taxes by another \$3 million a year.

MEASURE H IS A BAIT AND SWITCH TRICK

The truth is politicians often will promise one thing then do another. Measure H says the taxes will go towards things that are popular with voters like public safety, roads, and addressing homelessness, but Measure H contains a giant loophole that allows politicians to spend the money on anything they want, including administrative costs, outside consultants, pay raises, and pensions.

MEASURE H GIVES POLITICIANS A \$3 MILLION BLANK CHECK

The politicians say Measure H is for "essential" community services, but because it was put on the ballot as a General Tax, the funds won't be dedicated to addressing a specific problem and there are NO guarantees on how our tax money will be spent. Measure H gives politicians a blank check with no accountability.

MEASURE H IS FLAWED

Measure H's higher taxes will hurt small and family-owned businesses. If we're going to raise taxes, we need *real protections* ensuring our tax dollars will go where promised and not end up diverted to the General Fund, where the money can be used for other purposes.

We need better accountability from politicians, not just higher taxes. Vote NO on Measure H.

**ARGUMENT AGAINST
MEASURE H2024
COUNTY OF SANTA BARBARA**

Supervisors Are Wasting Tax Dollars; Don't Give Them More of Your Hard-Earned Money!

The county makes no specific promises as to how they will spend this \$3 million tax and that should tell you something! The *real reason* county supervisors want to raise taxes is because they refuse to reduce the size and cost of their workforce of 4,763 employees. That is, the odds are the money from this tax will be used for out-of-control county employee salaries and benefits which cost \$824 million per year and average \$170,000 per employee which is twice as much as what most residents earn.

The supervisors' misplaced priorities include a \$400 million deficit in maintaining our roads and infrastructure and a plan to reduce the capacity of the jail to hold criminals. They wasted \$250 million on a "trash digester" that doesn't work. Millions more were squandered when the county was convicted of a felony for an oil spill for which they were responsible, not to mention their attempt to steal a contract for ambulance services which encouraged a judge to slap them with a preliminary injunction! County supervisors also burned through \$100 million in extra (COVID) money from the state and federal government and they have little to show for it.

Supervisors haven't laid off any workers in years, instead, they have been cutting services and raising fees for services to residents! Why is that? The sad truth is that our county government's top priority is to serve its employees, not the public, at taxpayer expense! More than one half of their \$1.6 billion budget goes into the pockets of county employees. Please don't vote for higher taxes until county supervisors tighten their own belt as working families have had to do. Vote NO on Measure H2024.

**REBUTTAL TO ARGUMENT AGAINST
MEASURE H2024
COUNTY OF SANTA BARBARA**

Opponents of Measure H claim it will impact your money, but that is completely false. Measure H is funded solely by tourists staying in 24 hotels outside of our cities - (local residents will not face any tax increase.) Here's why Measure H is a smart choice:

1. **Transparent:** Measure H clearly identifies priorities for County expenditures, such as:
 - **Enhance Emergency Services:** Improve response times and capabilities for better safety.
 - **Repair Roads:** Fix damage from recent storms to ensure safe transportation.
 - **Address Homelessness:** Invest in effective programs to manage and reduce homelessness.
 - **Flooding Protection:** Prevent flooding by cleaning storm drains (protecting homes and businesses).
2. **Tourist-Funded, (Not Resident-Funded):** We live in one of the most desirable places to visit in the world. Measure H ensures these visitors contribute a small additional amount to support the parks, roads and services they enjoy, instead of burdening local residents.
3. **Local Control and Economic Benefits:** Measure H funds will be managed locally, ensuring they directly benefit our community rather than being redirected by state or federal agencies. This investment supports local businesses, enhances public safety, and boosts our economy.
4. **Comprehensive Accountability:** Measure H guarantees transparency through public budget hearings and independent audits (ensuring funds are used efficiently.)

By voting YES on Measure H, you support a responsible solution for maintaining and improving essential services (*without increasing taxes for local residents*). This measure is a practical step to keep our infrastructure strong and our county thriving. **Vote YES on H!**

MEASURE H2024
COUNTY OF SANTA BARBARA**

ORDINANCE NO. 5217

BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA

ORDINANCE AMENDING SECTION 32-12 OF THE SANTA BARBARA COUNTY CODE
TO INCREASE THE TRANSIENT OCCUPANCY TAX RATE TO
FOURTEEN PERCENT (14%)

THE BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA ORDAINS AS FOLLOWS:

SECTION I: VOTER APPROVAL OF AMENDMENT TO SANTA BARBARA COUNTY CODE SECTION 32-12. Section 32-12 of the Santa Barbara County Code is hereby set forth for voter approval to read as follows:

Sec. 32-12. Transient Occupancy Tax

For the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of fourteen percent (14%) of the rent charged by the operator. Such tax constitutes a debt owed by the transient to the County which is extinguished only by payment to the operator or to the County. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax is not paid to the operator of the hotel, the County Tax Collector may require that such tax shall be paid directly to the County Tax Collector. The tax rate of fourteen percent (14%) shall take effect beginning January 1, 2025. In the interim period between the November 5, 2024 election and January 1, 2025, for the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of twelve percent (12%) of the rent charged by the operator.

SECTION II: NATURE OF TAX. If approved by a majority of the electorate voting on the measure, the ordinance will increase the current transient occupancy tax rate to fourteen percent (14%) of rent charged. The transient occupancy tax is a tax imposed upon transients for the privilege of occupying defined hotels located within the unincorporated territory of Santa Barbara County. The tax would be collected by hotel operators in the same manner as the current transient occupancy tax is collected. The collection of the tax from hotel operators would be administered by the Santa Barbara County Tax Collector as provided in Chapter 32, Article II of the Santa Barbara County Code.

SECTION III: GENERAL TAX. The transient occupancy tax imposed by this ordinance is a general tax within the meaning of Government Code Section 53721 and Article XIII C, Section 1 (a) of the California Constitution. The revenue generated by this general tax is available for general government use and purposes. To that end, the Auditor- Controller is instructed to deposit the revenue from the tax into the County General Fund. The County shall include an estimate of the revenue from this general tax, together with the estimates of other revenue sources, in the tabulation that is annually required to be prepared by Government Code Section 29060. The revenue from this general tax shall be made available to the Board of Supervisors for annual appropriation in the County's budget for any lawful expenditure. Nothing in this ordinance nor in any other ordinance, advisory measure, resolution, or policy shall be construed as limiting, in any way, the amount or the objects of the appropriations and expenditures that can be made from the revenue of the tax nor be construed as creating a continuing appropriation. The tax will remain in effect unless and until repealed.

SECTION IV: EFFECT. Voter approval of this ordinance shall have the effect of increasing the transient occupancy tax.

SECTION V: COMPLIANCE WITH THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA). Pursuant to CEQA Guidelines Section 15378(b)(4), adoption of this tax increase ordinance as a government funding mechanism is not a project subject to the requirements of CEQA. Prior to commencement of any project that may result from the expenditure of revenues from this tax increase, any necessary environmental review required by CEQA shall be completed.

SECTION VI: SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION VII: ELECTION. An election shall be held on November 5, 2024, on the issue of increasing the current transient occupancy tax rate to fourteen percent (14%) of rent charged. If the measure is defeated, the transient occupancy tax will remain at the existing transient occupancy tax rate of twelve percent (12%) of rent charged.

SECTION VIII: EFFECTIVE DATE. This ordinance shall take effect immediately upon its adoption by a majority of the electorate voting on the ordinance at the November 5, 2024 general election.

**IMPARTIAL ANALYSIS BY CITY ATTORNEY
MEASURE E2024
CITY OF SOLVANG**

If approved by the voters, Measure E, also known as the Solvang Tourism Enhancement and Mitigation Measure, would amend the Solvang Municipal Code to increase the tax rate paid by temporary occupants of hotel and other transient lodging rooms ("TOT") by two percent. The current TOT rate is twelve percent (12%). This measure would set the TOT rate at fourteen percent (14%). The Solvang City Council voted to put Measure E on the ballot.

At the new rate, for example, a hotel stay costing the guest \$100 would generate a tax of \$14 instead of the current \$12. The TOT is not a tax paid by the hotel or motel owner, or by any Solvang residents who are not hotel/lodging guests, but is paid by the temporary, or "transient", occupant. The owner of the hotel or motel does have a duty to both collect the TOT from the occupant and to pay the TOT to the City of Solvang.

This measure requires all proceeds of the TOT to be deposited into the City's General Fund to be used for such general municipal governmental purposes as the City Council shall direct. Among such purposes are tourism-related services, pothole, street, and sidewalk repair, traffic safety, parking relief, senior, adult, and youth recreation programs, and 911 response. It is estimated that this measure will generate an additional \$1,000,000.00 or more annually from the hotel visitors who will pay the TOT.

The TOT rate proposed by this measure will only become effective if approved by a majority of the City voters voting on the measure.

A YES vote approves the measure.

A NO vote rejects the measure.

**ARGUMENT IN FAVOR OF
MEASURE E2024
CITY OF SOLVANG**

Measure E2024 is Solvangs LOCAL tourist tax. A YES on E2024 vote generates money for us that is 100% PAID BY TOURISTS/lodging guests visiting Solvang. Measure E2024 is NOT a tax on Solvang residents or homeowners.

Even better, every penny is ONLY FOR SOLVANG-not the County, State, or anyone else!

Tourists visiting our community should pay their fair share for the costs they create so we aren't the ones shouldering the costs.

YES on E2024 protects Solvang's Safety by maintaining the police services and 911 response times that prevent crime and save lives.

YES on E2024 protects Solvang's Quality of Life and our Property Values by ensuring local funding for our City parks, senior/youth recreation programs, and the community events that bring families together.

YES on E2024 provides traffic safety and parking relief and fixes our streets, roads, and sidewalks.

YES on E2024 gives Solvang LOCAL CONTROL over local funds for local needs to allow the City to continue to be self-reliant in emergencies and challenging times. All money is required to be spent right here, for our services. NO money can be taken by the County or Sacramento.

All funds generated by YES on E2024 are subject to STRICT ACCOUNTABILITY REQUIREMENTS including public spending reports, an independent citizen's oversight committee and annual independent financial audits.

Measure E2024 is accountable to you, the Solvang taxpayer.

Again, here's what Measure E2024 WON'T do:

- Measure E2024 is NOT a tax on your home or property.
- Solvang residents who are NOT hotel/lodging guests in our community, WON'T be taxed.

This is a long ballot with many candidates and measures on it. Don't forget to find Measure E2024 and vote YES-all money for Solvang, none of it paid by us.

MEASURE E2024
CITY OF SOLVANG**

It is OK to VOTE NO on E2024

LOWER BED TAXES= HIGHER OCCUPANCY= MORE REVENUE

A local hotel owner pointed out, "San Francisco's TOT is 14%, San Diego is 10.5%. San Diego earns more TOT revenue than San Francisco. Tourists know when they are being ripped off."

Give Solvang the competitive advantage by keeping costs lower for our overnight guests.

More overnight guests improve restaurants, shopping, employment, wages, and revenue to the city.

TOT has always been Solvang's own tax. We have strict local control. This is nothing new.

More hotels are coming. The city is already on track for substantial increased revenue at the existing rate.

The current bed tax already funds city services. This increase is another tax grab because they think it will pass.

VOTE NO on E2024

The wish list items (911 emergency and police services, public space improvements, recreation and senior programs, potholes and street repairs, fire safety, traffic flow studies) have ALREADY been funded by the November 2022 Measure U sales tax increase.

There are no specific restrictions for roads or improvements. This tax goes to the general fund - unrestricted. Think unrestricted spending, unfunded retirement, and expensive consultants.

Mismanagement of city funds is not a valid excuse for raising taxes.

None of the tax paid by us? Incorrect. We all pay. Fewer visitors, decreased quality businesses and restaurants, poorer building maintenance, fewer employees, fewer services, and increasing expenses to Solvang residents

CITY OF SOLVANG**

VOTE NO on Measure E2024

Save Solvang's economy.

Hotel and restaurant employees get hurt. Visiting families, already stretched by inflation, are being crushed with taxes.

The City of Solvang has collected \$6,037,067 in bed tax (TOT) FYE to date, on target for \$6.5M fiscal year Jul 23 - Jun 24. The budgeted tax for this period was \$4,900,000. Why does the city need to increase a tax that is already at 123.21% of the budgeted amount? It doesn't.

VOTE NO on Measure E2024.

The City of Solvang wants to increase the Transient Occupancy Tax (TOT) from 12% to 14% on overnight visitors. This is not a 2% increase but a 16.67% increase.

Why VOTE NO?

This is a tax sold to you as paid only by the tourist. Don't be fooled. A decline in tourism harms the entire economy resulting in less tax revenue - meaning we all pay.

The city has not provided a compelling need for increased tax revenue.

The most basic municipal services should not require an election generated revenue source. They must be priority number one, not threatened by a tax on tourists. Wasn't the sales tax increase passed in 2022 supposed to solve this?

A NO VOTE keeps the City leaders disciplined to live within their budget just like the rest of us.

People do question the fees on their hotel bill. Ask any hotelier or front desk person.

A 14% rate exceeds other communities such as Lompoc 10% and Santa Maria 10%, making Solvang less attractive to overnight guests.

Attract the tourist, then tax them unknowingly! Not good long term or for positive reviews.

It is never enough. There will be another attempt to raise taxes because this one did not raise enough.

CITY OF SOLVANG**

If we learned anything from the pandemic, it's that visitors value our unique community character and the experience that they can only get here in Solvang.

VISITORS SHOULD PAY THEIR FAIR SHARE for the services they use and that benefit residents including:

- Traffic safety/ parking relief
- Maintaining streets/ fixing potholes
- Completing deferred maintenance of streets, roads, sidewalks/ City facilities
- Maintaining City parks
- Maintaining 911 emergency response
- Maintaining City funded Community/ Special Events
- Maintaining senior, adult, youth recreation programs

Measure E-2024 DOES NOT TAX RESIDENTS – it is solely paid by visitors to hotels and lodging in our City and addresses the local impacts of tourism.

Voting YES on E-2024 keeps our taxpayer dollars LOCAL—the County cannot take these funds! Measure E-2024 will bring our hotel tax rate in line with neighboring and similar communities but will benefit Solvang residents specifically.

The City did extensive outreach with the community before placing Measure E-2024 on the ballot and in a community survey conducted earlier this year over 75% of residents said they would support this visitor paid source of local funding.

Solvang continues to be a prudent fiscal steward of taxpayer funding and Measure E-2024 includes spending reports to make sure the funds are spent to benefit Solvang.

That's why local businesses like Ingeborg's Danish Chocolates, Space Virtual Reality experience, Casa Cassara Winery and Vineyard, Chomp Restaurant and Coffee Shop and local hotel and motel owners support Measure E-2024.

Vote YES on Measure E-2024 for Solvang!
